## **LABOR AGREEMENT**

**Between**

**CITY OF MINNEAPOLIS**

**and**

**THE INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS**

**Local No. 82**

**THIS AGREEMENT** (hereinafter referred to as the *Labor Agreement* or the *Agreement*) is made and entered into by and between the City of Minneapolis, a municipal corporation incorporated under the laws of the State of Minnesota (hereinafter referred to as the *City*), and Local No. 82 of the International Association of Fire Fighters, AFL-CIO (hereinafter referred to as the *Union*). The Parties hereto agree as follows:

It is the purpose and intent of this Agreement to achieve and maintain sound, harmonious and mutually beneficial working and economic relations between the Parties hereto; to provide an orderly and peaceful means of resolving differences or misunderstandings which may arise under this Agreement; and to set forth herein the complete and full agreement between the Parties regarding terms and conditions of employment.

Additionally, and in recognition of the unique circumstances under which Fire Fighters work, the Parties pledge to eliminate hostility and harassment in the workplace. The employer shall take disciplinary action and the Union shall impose sanction on any employee who, through objective means, is found to have committed such acts of hostility or harassment. Discipline and/or sanction for hostility or harassment shall not be subject to the Grievance Procedure contained in Article 5 of this Agreement. "Objective means" shall mean "determined by a body independent of the Fire Department administration." Nothing herein shall preclude an employee from exercising a right to Independent Review under Minnesota Statutes Section 179A.25 conducted pursuant to the procedures set forth in Minnesota Rules Parts 5510.5110 to 5510.5190.

## **ARTICLE 1**

### **RECOGNITION**

The City recognizes the International Association of Fire Fighters, Local No. 82, as the certified exclusive representative for the unit consisting of employees serving in the classification of Fire Cadet and all sworn employees of the Minneapolis Fire Department holding the rank of Fire Staff Captain or below.

The classification "Fire Staff Captain" is in the unclassified service of the City of Minneapolis and serves at the pleasure of the Chief of the Fire Department. If removed by the Chief of the Fire Department, the employee shall have the right to return to their permanent civil service classification.

## **ARTICLE 2**

### **NON-DISCRIMINATION**

In the application of this Agreement's terms and provisions, no bargaining unit employee shall be discriminated against in an unlawful manner as defined by applicable city, state and/or federal law or because of an employee's political affiliation or membership in the Union.

The Union supports the City's efforts to advance race and gender equity.

## **ARTICLE 3**

### **STRIKES AND LOCKOUTS**

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment, regardless of the reason for so doing.

In the event the City notifies the Union that an employee may be violating this Article, the Union shall immediately notify such employee in writing of the City's assertion and the provisions of this Article. Any employee who violates any provision of this Article may be subject to disciplinary action or discharge pursuant to the Minneapolis City Charter, Chapter 19.

The City will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

## **ARTICLE 4**

### **MANAGEMENT RIGHTS**

The Union recognizes the right of the City to operate and manage its affairs in all respects in accordance with applicable law and regulations of appropriate authorities. All rights and authority which the City has not officially abridged, delegated or modified by this Agreement are retained by the City.

## **ARTICLE 5**

### **SETTLEMENT OF DISPUTES**

#### **Section 5.01 - Scope**

This Article shall apply to all members of the bargaining unit, but only as to resolution of grievances and not to interest arbitration.

#### **Section 5.02 - Letter of Inquiry**

Any employee may initiate a “letter of inquiry” for the purpose of requesting from the City or the Union information on salary, working conditions and/or benefits. The request shall be presented to the Union in writing. A Union representative shall process the letter of inquiry. Where the Union representative believes it necessary, they may request in writing from the Director of Labor Relations such information or interpretation necessary to enable the Union to prepare a response to the inquiry. The Director of Labor Relations shall respond to such request by the Union within ten (10) days of receipt. The Union will then respond to its member.

#### **Section 5.03 - Informal Problem Resolution**

From time to time, concerns regarding possible violations of this Agreement may arise. Many of these concerns can be resolved informally. A concern that cannot be resolved informally and which is subsequently presented to the Employer formally pursuant to the procedures set forth in this Article is called a grievance.

#### **Section 5.04 - Grievance Procedure**

A grievance is any matter concerning the interpretation, application, or alleged violation of any currently effective agreement between the City and the bargaining unit. Grievances shall be resolved in the manner set out below. The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

##### **Subd. 1. Step One**

To initiate a grievance, a Union representative acting on behalf of an employee shall inform the Assistant Chief or their designee of the grievance in writing within the time period specified below. If the

employee or the Union expressly requests a discussion with the Assistant Chief or their designee concerning the written grievance, such discussion shall take place within ten (10) days after filing the grievance, unless the time is mutually extended. The discussion with the Assistant Chief or their designee shall be held with one of the following:

- a) The employee accompanied by a Union representative; or
- b) The Union representative alone if the employee so requests.

Within twenty (20) days after the grievance is filed or the discussion meeting concludes, whichever is later, the Assistant Chief or their designee shall state their decision in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee, one (1) copy to the Union, and one (1) copy to the Director of Labor Relations. Each step one decision shall be clearly identified as a “step one decision.”

A grievance must be commenced at step one no later than twenty (20) calendar days from the discovery of the grievable event(s) or from when the event(s) reasonably should have been discovered, or twenty (20) calendar days from the receipt of the Employer’s response to a related letter of inquiry, whichever is earlier.

#### Subd. 2. Step Two

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the Fire Chief, within ten (10) days of the date of the step one decision. Upon request of the Union, a meeting shall be held between the Fire Chief, and a representative of the Union. The meeting shall be scheduled by the Fire Chief and held within twenty (20) days after receipt of the written appeal.

The Fire Chief shall have the full authority of the City Council to resolve the grievance. Within twenty (20) days after the step two meeting or receipt of the step two appeal, whichever is later, the Fire Chief shall send a written response to the Union. The step two decision shall clearly identify that answer as a “step two decision.”

#### Subd. 3. Step Three - Regular Arbitration

Within twenty (20) days of the date of the step two decision the Union shall have the right to submit the matter to arbitration by informing the Director of Labor Relations that the matter is to be arbitrated.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of mutually agreed upon arbitrators. The process for removing, replacing and renewing the arbitrators on the panel shall be established by the mutual written agreement of the parties within thirty (30) days of the ratification of this Agreement or as soon thereafter as the parties are able to do so. Arbitrators shall be selected from the panel on a rotating basis, except that each party may exercise one strike when selecting an arbitrator to hear a particular case.

If a grievance is referred to arbitration and no arbitrator on the panel is willing or able to hear the matter, the party referring the grievance to arbitration shall petition the Bureau of Mediation Services to provide a list of seven (7) qualified arbitrators from which the parties may select an arbitrator to hear the grievance. The Employer and Union shall select an arbitrator using the alternate strike method with the party exercising the first strike selected by coin flip.

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salary and wages for the time spent in the arbitration proceeding, if during regular work hours.

The arbitrator shall render a written decision and the reasons, therefore resolving the grievance, and order any appropriate relief within thirty (30) days following the close of the hearing or the submission of briefs by the parties. The decision and award of the arbitrator shall be final and binding upon the City, the Union and the affected employee(s).

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement. The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

#### **Section 5.05 - Mediation**

The City and the Union, by mutual agreement, may utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

One representative of the Union, the Grievant and all necessary employee witnesses shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, if during regular working hours.

The following procedures shall apply to mediations conducted under this Section:

- a. Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.
- b. Grievances that have been appealed to arbitration may be referred to mediation if both the Union and the City agree.
- c. Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.
- d. Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.

- e. The mediation proceedings shall be informal in nature, and the goal will be to mediate up to three (3) grievances per day.
- f. Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.
- g. One (1) Grievant will have the right to be present for each grievance.
- h. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.
- i. The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.
- j. Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain one (1) copy of the written grievance to be used solely for the purposes of statistical analysis.
- k. If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory opinion. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for their opinion. The parties may agree that no opinion shall be provided.
- l. The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.
- m. If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with “Step Four” of the grievance procedure.
- n. In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator’s advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator’s advice or ruling or refer at arbitration to any admissions or offers of the settlement made by the other party at mediation.
- o. By agreeing to schedule a mediation conference, the City does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.
- p. The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the parties.

#### **Section 5.06 - Expedited Arbitration**

Upon the mutual agreement of the Parties, any grievance to be arbitrated may be referred to expedited arbitration where the time frame for effective resolution is so short that the normal arbitration procedure would be untimely. Upon such referral, the Union and the City will make immediate (within twenty-four

(24) hours) arrangements with the panel selected by the parties, or if none has been selected, with the Bureau of Mediation Services. The expedited arbitration procedure shall begin as soon as the Parties and the arbitrator can initiate a hearing. It shall be the specific request of both the Union and the City to have a decision within seven (7) days of the hearing, and that no briefs will be filed.

### **Section 5.07 - Time Limits**

Time limits specified in this procedure may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

### **Section 5.08 - Grievance Forms**

The parties shall jointly develop forms to be used for the grievance procedure. Until such forms are developed, a grievance may be commenced by any written statement that describes or identifies: the factual basis of the dispute; the contract provisions at issue; and the name of the grievant.

### **Section 5.09 - Arbitration Expenses**

The fees and expenses of the Arbitrator shall be divided equally between the Employer and the Association provided, however, that each Party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, it may cause such record to be made provided it pays for the cost of preparing the record. Further, if the party requesting the record requests submitting post-hearing briefs, such party shall at its cost provide a copy of the record to the other Party and to the Arbitrator.

### **Section 5.10 - Election of Remedy**

The parties acknowledge that the facts and circumstances which form the basis of a grievance may also form the basis of claims which may be asserted by an individual employee in other forums. The purpose of this Section is to establish limitations on the right of the Union to pursue a grievance in such situations.

#### **Subd. 1. Civil Service Rights**

When the subject matter of a grievance to which Article 5 Settlement of Disputes applies is also within the jurisdiction of the Minneapolis Civil Service Commission, the resolution of the dispute may proceed through the grievance procedure or the Civil Service appeals procedure. However, once the employee files an appeal to the Civil Service Commission, the Union's right to pursue a grievance under Article 5 is terminated.

Notwithstanding anything in the Civil Service Rules to the contrary, an employee's right to file an appeal with the Civil Service Commission expires on the later of: ten (10) days after the deadline for the Union to file a grievance under this Article; or ten (10) days after the employee has received notice from the Union of its final decision not to pursue a grievance. The Union shall provide notice to the City of such decision promptly after providing notice to the employee.

#### Subd. 2. Rights of Veterans

Some employees covered by this Agreement may have the individual right to contest a removal from a position or employment under Minn. Stat. §197.46. Once an employee requests a hearing under Minn. Stat. §197.46, the Union's right to pursue a grievance under this Article is terminated.

#### Subd. 3. Other Rights of Employees

No action by the Union under this Agreement shall prevent an employee from pursuing a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

## **ARTICLE 6** **PAYROLL DEDUCTION FOR DUES**

### **Section 6.01 - Dues Deductions**

The City shall, upon request of any employee in the unit, deduct such sum as the Union may specify for the purpose of regular dues to the Union. The City shall remit monthly such deduction to the appropriate designated officer of the Union.

### **Section 6.02 - Administration**

The City shall annually select a single payroll period each month in which all membership dues shall be deducted. In the event an employee covered by the provisions of this Article has insufficient pay due to cover the required deduction, the City shall have no further obligations to effect subsequent deductions for the involved month.

All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the City at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effective.

The City shall remit such membership dues deductions made pursuant to the provisions of this Article for the appropriate designated officer of the Union within fifteen (15) calendar days of the date of the deduction along with a list of the names of the employees from whose wages deductions were made.

**Section 6.03 - Time Off for Union Business.**

There shall be no deduction from pay when it is necessary, as determined by the union, for designated representatives of the Union to do any of the following during the representative's regularly scheduled work shift: represent members of the bargaining unit in disciplinary or grievance proceedings (excluding arbitration) under the Agreement; or meet with representatives of the City in collective bargaining or labor-management committee meetings. Union representatives are not entitled to be paid for time spent doing any of the foregoing union activities while working hours that are compensated at the overtime rate, except in the case of unscheduled grievance or disciplinary meetings or when management has agreed in advance that the representative(s) may be compensated at the overtime rate.

"Meeting with the City representatives" shall include reasonable preparation time. No more than one representative shall be released from duty for grievance or disciplinary proceedings and no more than five (5) representatives shall be released from duty for contract negotiations or labor management committee meetings. The Union President shall from time to time identify to the Employer in writing the names of a reasonable number of Union members who are designated to: represent employees in disciplinary or grievance proceedings; serve as members of the Union's Negotiation Team; or serve as Union representatives on the Labor Management Committee. All other necessary and reasonable time off for Union business shall be without pay under the provisions of *Minnesota Statutes* §179A.07, Subd. 6 (*Rights and Obligations of Employers; Time Off*) unless the Union furnishes a qualified replacement employee for the bargaining unit employee who is absent on Union business to work in the absent employee's place. In such cases, the City shall not be required to pay the replacement employee and shall observe the applicable "trade" provisions of the *Fair Labor Standards Act*, as amended. Except for leaves of absences granted under *Minnesota Statutes* §179A.07, Subd. 6, time off granted for Union business purposes shall not operate to interrupt an employee's health insurance or other benefits and, in no case shall seniority be adversely affected. The provisions of Section 8.06 of this Agreement shall apply.

The representatives of the Parties shall meet and confer at the request of either of them over any concerns or problems associated with these provisions.

**Section 6.04 - Hold Harmless Provision**

The Union will indemnify, defend and hold the City harmless against any claims made and against any suits instituted against the City, its officers or employees, by reason of deductions under this Article.

**ARTICLE 7**  
**SALARIES****Section 7.01 - Pay Frequency**

The regular amount of pay shall be the biweekly rate regardless of the number of hours on duty for that period, provided that the employee is on duty as scheduled or is on authorized paid leave.

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday. However, nothing shall preclude the Employer from paying an employee on a different day if required to avoid a penalty under State or Federal law.

### **Section 7.02 - Salary Schedule Attached**

Appendix "A," which is attached hereto and incorporated herein, shall be the schedule of biweekly salaries for employees during the period of this Agreement.

### **Section 7.03 - Selection Premiums**

A selection premium shall be payable in the amount and on the terms specified in the Salary Schedule attached hereto as Appendix A until March 31, 2019. Effective April 1, 2019, the selection premium payable to employees working in the job title of Fire Fighter shall be added to the Fire Fighter longevity pay schedule.

### **Section 7.04 - Pay Progressions**

Employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be subject to review under the provisions of Article 5 (*Settlement of Disputes*) of this Agreement. All increases approved pursuant to this Section shall be made effective on the actual date of the employee's anniversary.

### **Section 7.05 - Pay Upon Promotion/Demotion**

#### **Subd. 1. Pay Upon Promotion**

Except as provided in subd. 3, when a Firefighter is promoted to a higher rank that is covered under this Agreement, their initial salary in their promoted rank will be at Step 1 of the pay schedule for their new rank. When a Fire Motor Operator is promoted to Captain, their initial salary in their promoted rank will be at Step 1 of the pay schedule for their new rank, but if the employee is at Step 3 of the Fire Motor Operator wage schedule and voluntarily discloses their pay prior to their promotion, they will be at Step 2 of the pay schedule for their new rank. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher-paid classification.

#### **Subd. 2. Pay Upon Demotion**

The salary of an employee who voluntarily demotes and who voluntarily discloses their prior rate of compensation or who is demoted for disciplinary reasons shall be at the salary step at which they would have been in the lower job classification if they had been serving in such lower classification during the period they served in the higher classification.

The salary of an employee who voluntarily demotes and does not voluntarily disclose their prior rate of compensation shall be determined by the hiring manager, taking into consideration the employee's qualifications, years of experience, and salary expectations; the existing labor market; and internal equity.

### Subd. 3. Promotions to Staff Captain

When an employee is promoted to the position of Staff Captain, the employee may negotiate with the hiring manager as to their step on the wage schedule for Staff Captain, however the hiring manager shall have the final discretion to set their pay, taking into consideration the employee's qualifications, years of experience, salary expectation, the existing labor market, and internal equity.

### **Section 7.06 - Holiday Compensation**

Employees shall be compensated at the rate of one and one-half times their regular hourly rate for all hours worked during any shift which begins on Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

### **Section 7.07 - Mid-Term Wage Adjustment**

Neither the existence nor the terms of this Agreement preclude the parties from entering into a written agreement to adjust the wages for any job classification or employee covered by this Agreement during the term of this Agreement if mutually deemed appropriate and/or necessary to ensure internal or external compensation equity or compliance with the Pay Equity Act. This provision shall not obligate either party to negotiate or agree to a mid-term wage adjustment. Disputes related to this Section are not arbitrable.

## **ARTICLE 8** **HOURS, OVERTIME**

### **Section 8.01 - Scope**

This Article is intended to define the normal hours of work and to provide the basis for the calculation of overtime pay. While nothing herein shall be construed as a guarantee of hours of work per day or per week, employees may be required by the City to work a reasonable amount of overtime.

### **Section 8.02 - Work Schedules**

Employees assigned to the twenty-four (24) hour shifts shall be scheduled to begin each assigned work shift at 0800. Employees may trade regularly scheduled shifts if (1) such trades are approved in advance by the Employer, and (2) no additional overtime pay requirements are created under the provisions of this Agreement and/or the *Federal Fair Labor Standards Act* (FLSA).

**Section 8.03 - Deviation from Normal Work Schedule**

Should it be necessary for the department temporarily to establish work schedules departing from the normal work schedule, notice of such change shall be given to the Union as soon as is reasonably practicable.

**Section 8.04 - Overtime Pay Defined**

Overtime pay shall be calculated in accordance with the applicable provisions of the FLSA, i.e., a nonexempt employee shall be paid at the rate of one and one-half (1½) times their regular hourly rate of pay for all hours actually worked which exceed the Act's straight-time hours maximum during any established work period. The parties acknowledge that the dollar amount of some items of compensation that, pursuant to the FLSA, are components of an employee's "regular hourly rate" may not be known at the time the employee works FLSA overtime (the "Additional Compensation Items"). Therefore, each year the Employer shall conduct an audit of compensable FLSA overtime hours worked by each employee for the first FLSA Work Period of the year (which begins with or includes January 1) through the last complete FLSA Work Period in the same calendar year. The first FLSA Work Period in the calendar year may include time from the previous calendar year. The Employer shall then make a year-end reconciling payment in an amount calculated as follows: the number of FLSA overtime hours worked multiplied by the "regular hourly rate" including the Additional Compensation Items, less the aggregate amount paid to the employee for FLSA overtime hours work during the audit period. "FLSA hours worked" shall be determined in accordance with the FLSA and the regulations promulgated thereunder. Such payment shall be made no later than the fourth payroll period following the completion of the audit period. With regard to an employee who separates from service prior to the end of the audit period, the reconciliation calculation and any resulting payment shall be made as soon as practical after the employee's separation from service.

**Section 8.05 - Overtime Pay Provisions**

In addition to the requirements of Section 8.04 of this Article, an employee shall be paid at the overtime rate (one and one-half (1½) times their regular hourly rate of pay) under the following circumstances.

**Subd. 1. Overtime for Hold Over**

An employee who is held over beyond the end of their regularly scheduled work shift shall be paid at the overtime rate for a minimum of one (1) hour. If the hold-over lasts longer than one hour, the employee shall be paid at the overtime rate for all such excess time in minimum increments of fifteen (15) minutes for all or any portion of such quarter-hour thereafter. The City shall use its best efforts under the circumstances to relieve the held over employee as soon as possible.

**Subd. 2. Overtime for Early Report**

An employee who is required to report in early for their regularly scheduled work shift shall be compensated at the overtime rate for such additional early work period calculated from the time work

commences through the start time of their scheduled shift.

#### Subd. 3. Overtime for Work Other Than A Hold Over or Early Report

An employee who is called in to work at a time not immediately preceding or following their regularly scheduled work shift shall be compensated at the overtime rate for the greater of: such time actually worked; or four (4) hours. The four (4) hour minimum shall not apply to committee meetings for committees on which employees voluntarily serve. Any hours worked as a result participating in such committee meetings shall be compensated at the overtime rate on an hour for hour basis.

#### Subd. 4. Overtime on a Holiday

When an employee works "overtime," as defined in this Section 8.05, on one of the Holidays, as defined by Section 7.06, or as an extension of a shift that begins on a Holiday; the effective rate of pay for such overtime hours is 2.25 times the employee's normal (non-holiday) hourly rate.

### **Section 8.06 - Duplication of Pay Prohibited**

Compensation shall not be paid more than once for the same hours under any provision of this Agreement.

### **Section 8.07 - FLSA Hours**

In the event the applicable FLSA straight-time hours maximums which were in effect at the time of this Agreement was made are diminished or increased during the life of this Agreement, this Agreement shall automatically be adjusted to accommodate the change. At the request of the City or the Union, any adverse impact shall be negotiated. In the event such negotiations fail to produce an agreement, the matter may be submitted to binding interest arbitration under the provisions of *Minnesota Statutes, 179A.16*, subds. 2 through 8.

## **ARTICLE 9** **UNIFORM ALLOWANCE**

In lieu of the uniform allowance, as of January 1, 2008, the sum of \$37.00 was added to the bi-weekly wages for all steps of all job titles on the salary schedule appended to this Agreement. Notwithstanding the elimination of the separate uniform allowance, all personnel are still expected to be professionally dressed and groomed while on duty.

The Employer will provide Fire Cadets with the required uniform components during their service as Fire Cadets. Thereafter, for employees selected for appointment from Cadet to Firefighter, the Employer will add \$650, subject to normal wage withholding, to such employee's last paycheck as a Cadet to allow the employee to purchase necessary uniform items to begin work as a Firefighter. A newly-hired Firefighter shall obtain the complete Class A uniform within three (3) months of successfully completing the probationary period.

Each year, the Employer will provide each employee with a clothing voucher in the amount of \$250 for use at a vendor selected by the Employer. The Employer shall determine the designated vendor, method and timing of voucher distribution. Vouchers issued under this provision are non-transferable and shall not be redeemable for cash. Any unused voucher amount shall not carry over from one calendar year to the next, and employees shall not be entitled to any unused portion after the applicable year ends. All clothing items must meet department uniform specifications and are subject to the Employer's approval.

## **ARTICLE 10** **SICK LEAVE**

### **Section 10.01 - Definitions**

A "sick leave day" is equivalent to 12 hours for sworn employees assigned to a 24-hour shift. Sworn employees normally work an average of 109.2 hours every two weeks when assigned to a 24-hour shift.

A "sick leave day" is equivalent to 8 hours for sworn employees assigned to an 8-hour shift. Sworn employees normally work 80 hours every two weeks when assigned to an 8-hour shift.

The "daily rate of pay" is one-tenth (1/10) of the bi-weekly rate.

If a sworn employee on the 24-hour shift is assigned to an 8-hour position, their accumulated sick leave hours shall be divided by 1.5 to convert to the 8-hour position accumulation.

If a sworn employee on the 8-hour shift is assigned to a 24-hour position, their accumulated sick leave hours shall be multiplied by 1.5 to convert to the 24-hour position accumulation.

### **Section 10.02 - Sick Leave Accumulation and Conversion**

Sworn members of the Minneapolis Fire Department who are assigned to the 24-hour shift shall receive 144 hours of sick leave annually (6 24-hour shifts). These hours will be accrued by 24-hour shift employees on a bi-weekly basis.

Sworn members of the Minneapolis Fire Department who are assigned to an 8-hour shift shall receive 96 hours of sick leave annually (12 8-hour shifts). These hours will be accrued by 8-hour shift employees on a bi-weekly basis.

### **Section 10.03 - Annual Sick Leave Credit Plan**

An employee who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave accrued but unused under the terms and conditions set forth below:

- (a) Eligibility. An employee who has an accumulation of sick leave of sixty days or more on

December 1 of each year (“Eligible Employee”) shall be eligible to make the election described below.

- (b) Election. On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect to receive cash payment for all or any portion of their sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits their election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave. If an Eligible Employee does not transmit an election form to the employer on or before December 31, they shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.
- (c) Payment. Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:
  - i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* With regard to an Eligible Employee who, as of the date of the election, has accumulated at least sixty days but less than ninety days of sick leave, payment shall be made for the number of days indicated by the employee on their election form based on fifty percent (50%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
  - ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* With regard to an Eligible Employee who, as of the date of the election, has accumulated at least ninety days but less than one hundred twenty days of sick leave, payment shall be made for the number of days indicated by the employee on their election form based on seventy-five percent (75%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
  - iii. *At Least One Hundred Twenty (120) Days.* With regard to an Eligible Employee who, as of the date of the election, has accumulated at least one hundred twenty days of sick leave, payment shall be made for the number of days indicated by the employee on their election form based on one hundred percent (100%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.

Notwithstanding the forgoing, payment shall not be made in an amount greater than the value (as determined under this Section) of the sick days left in the employee’s bank as of December 31 of the Accrual Year.

- (d) Adjustment of Sick Leave Bank. The number of days for which payment is made shall be deducted from the Eligible Employee’s sick leave bank at the time payment is made.
- (e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer

to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same time as the election referenced in Section 10.03 (b).

#### **Section 10.04 - Sick Leave Separation Pay Plan**

Employees who separate from positions in the qualified service and who meet the requirements set forth in this Article shall be paid in the manner and amount set forth herein.

- a. Payment for accrued but unused sick leave shall be made only to former employees who:
  - i. have separated from service; and
  - ii. as of the date of separation had accrued sick leave credit of no less than forty-eight (48) hours; and
  - iii. as of the date of separation had:
    1. no less than twenty (20) years of qualified service as computed for retirement purposes, or
    2. who have reached sixty years of age, or
    3. who are required to retire early because of either disability or having reached mandatory retirement age.
- b. When an employee having not less than forty-eight (48) hours of accrued sick leave dies prior to separation, they shall be deemed to have separated because of disability at the time of death, and payment for their accrued sick leave shall be paid to the designated beneficiary as provided in this Section.
- c. The amount payable to each employee qualified hereunder shall be one-half ( $\frac{1}{2}$ ) the daily rate of pay for the position held by the employee on the day of separation, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of forty-eight (48) hours and a maximum of one-hundred fifty (150) days. For employees hired on or after January 1, 2009, the maximum shall be one hundred fifty (150) days.
- d. 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of separation, provided however, that in the case of involuntary termination, this deposit shall occur only after final disposition is reached or all timelines to contest the discharge have expired, whichever is later.
- e. If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of the employee's Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

## **ARTICLE 11**

### **VACATION AND TIME OFF**

#### **Section 11.01 - Time Off Accrual**

##### **Subd. 1. Vacation Eligibility: Full-Time Employees**

Vacations with pay shall be granted to permanent employees who work one-half (½) time or more and who have completed six (6) months of continuous service. Vacation time will be determined on the basis of continuous years of service, including time in a classified or unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this Article, *continuous years of service* shall be determined in accordance with the following:

- A. Credit During Authorized Leaves of Absence. Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.
- B. Credit During Involuntary Layoffs. Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted toward years of service for vacation entitlement.
- C. Credit During Periods on Disability Pension. Upon return to work, employees shall be credited for time served on workers' compensation (those returning to active employment after January 1, 1996) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.
- D. Credit During Military Leaves of Absence. Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

Subd. 2. Vacation Benefit Levels

Eligible employees shall earn vacations with pay in accordance with the following schedule:

If an employee moves from a 24-hour shift to an 8-hour shift, or vice versa, their vacation bank shall be converted to reflect the equivalent number of work days off.

Subd. 3. Maximum Vacation Accrual for 40 Hour Workweek Personnel

Sworn employees assigned to a 40-hour workweek are allowed to accumulate up to and including a maximum of 400 hours of vacation. Accumulated vacation leave in excess of 400 hours will not be recorded and will be considered lost. Employees assigned to a 40-hour workweek may elect to receive compensation at their regular hourly rate of pay for unused vacation up to 40 hours per year.

When an employee assigned to a 40-hour per week position is reassigned to a 56-hour per week position, the employee and the Chief or their designee shall meet to discuss a plan to address the employee's vacation balance. The plan shall be consistent with the following terms:

- (a) If the employee has a previously approved vacation that would occur after reassignment, the employee may request and shall be allowed to convert (using the 1.4 multiplier) and retain in

their vacation bank that portion of their accrued vacation necessary to take the scheduled vacation, subject to the provisions of Section 17.03;

- (b) After step (a), the Chief, with consideration to the desires of the employee and the needs of the Department, shall determine how much accrued vacation should be used before the reassignment of the employee, if any, with the balance to be liquidated by cash payment based on the employee's regular rate of pay in effect prior to such reassignment;
- (c) After reassignment, the employee shall be credited with the prorated portion of the paid time off (vacation/holiday/work reduction days) they would have earned for the portion of the year that they would be on the 56-hour work week, less any negative vacation balance (times the 1.4 multiplier) at the time of reassignment.

#### Subd. 4. Holiday and Work Week Time Off

Each twenty-four (24) hour shift employee is entitled to: 168 hours per year as holiday time off in lieu of paid holidays; and three (3) twenty-four (24) hour shifts per year as work week reduction time off.

### **Section 11.02 - Scheduling Time Off**

The City reserves the right to determine the maximum number of employees in any job classification and/or in the Department to be scheduled off at any one time, day, shift or season. Such determination shall be made based on the total amount of vacation, floating holidays and work reduction days ("Time Off") to be accrued by employees minus the amount of vacation for which employees have elected to receive compensation under Section 11.03. The City will meet and confer with the Union regarding the determination prior to the annual time off bid.

Time Off to which each twenty-four (24) hour shift employee is entitled shall be scheduled prior to January 1st of each calendar year for the ensuing calendar year. Time Off shall be scheduled at such reasonable times as approved by the City with particular regard to the seniority of involved employees and the needs of the Department and, insofar as practicable, with regard to the wishes of involved employees. At the time of electing to exercise the right to receive compensation for vacation under Section 11.03, an employee may also elect to withhold up to four (4) full 24-hour shifts from the annual time off bid.

After the annual time off bid is completed, the City will provide a monthly notice of days in which the number of employees scheduled to be off is fewer than the number allowed to be off ("underutilized days"). To ensure the accuracy of the notice, the Employer will present and discuss the underutilized days with the Union at the monthly LMC meeting, if possible, prior to posting. The specific method of notice and the process for selection of underutilized days will be determined by the parties and periodically communicated to employees. However, once a withheld day has been granted for use on an underutilized day, the withheld day cannot be withdrawn or used to select another day off.

If a withheld day(s) is not used to take time off, the employee may elect to carry over the day(s) to the

next year and/or convert the day(s) to sick leave. However, an employee who has more than six (6) unverified uses of sick leave during the year may not convert withheld days to sick leave.

- (a) *Carryover.* No more than two (2) days may be carried over. If days are carried over, the number of days which may be withheld in a subsequent year is still limited to two. The number of withheld days carried over shall not increase the amount vacation for which an employee may receive an annual cash payment under Section 11.03
- (b) *Conversion to Sick Leave.* No more than 60 hours may be converted to sick leave. The number of withheld days converted to sick leave shall not increase the amount sick leave for which an employee may receive an annual cash payment under Section 11.03.

An employee who desires to convert any unused withheld day(s) to sick leave must notify the Employer of the intention to do so on or before November 15. Any withheld day(s) not converted to sick leave shall be used before the end of the calendar year or be carried over (subject to the carry over limit specified above). Any days not converted, carried over, or used, shall be forfeited.

### **Section 11.03 - Vacation Credit Pay Plan**

#### **Subd. 1. Process**

Employees who desire to exercise this option, shall notify the Department in writing, of their desire to do so no later than thirty (30) calendar days prior to the beginning of the annual vacation scheduling procedures undertaken pursuant to the provisions of this Appendix. Vacation credit pay shall be provided to employees who have elected the option on or before the last paycheck of the involved payroll year at their regular hourly rate of pay in effect as of the end of the payroll year.

- a. Employees assigned to an 8-hour shift may elect to receive compensation for up to forty-eight (48) hours of unused vacation.

#### **Subd. 3. Vacation Credit Pay Option for 24-Hour Shift Employees**

- a. Employees assigned to a 24-hour shift may elect to receive compensation for up to forty-eight (48) hours of unused vacation.

The Union may communicate with its members regarding union business and activities via reasonable use of the City's email system. The Union shall work with the City to minimize the disruption to the City's information technology systems that may be caused by such email communications. The parties agree that the purpose of providing the Union with bulletin board space and access to the email system is to foster effective communication relating to union business and is not to serve as a soap box to air complaints, offer political commentary or exchange personal messages among co-workers. Therefore, such union communications shall not contain anything that is political, offensive, obscene or that otherwise violates the City's Employee Policy on Electronic Communication.

### **ARTICLE 14** **PROMOTIONAL EXAMINATIONS**

If an employee who had applied for the examination, but due to an IOD injury, is medically certified as physically unable to take a portion of the examination when scheduled; the Employer will offer the employee an opportunity to take the missed portion(s) as soon as is practical provided the employee is certified to be physically fit to take the examination within 90 days of the originally scheduled

examination. Such an employee who receives a passing composite score on the secondary examination shall be added to the eligible list in rank order as of the date on which their composite score is determined. If promoted, the classification seniority of such employee shall be determined based on their ranking as if they had been added to the eligibility list as initially established.

The Parties shall use their best efforts under all of the circumstances to have the examination for FMO & Fire Captain commenced in April of alternate years. (E.g. FMO = even years; Fire Captain = odd years).

The Labor Management Committee shall meet in December of each year to discuss whether to administer upcoming examinations for FMO and Fire Captain.

## **ARTICLE 17**

### **WORK ASSIGNMENTS**

#### **Definitions**

**“Department Seniority”** means seniority based on the total time of service as an employee of the Minneapolis Fire Department, including Cadet Firefighter service. Ties in Department Seniority shall be broken by the employee’s ranking on the official eligible list maintained by the Minneapolis Human Resources Department and according to the rules of the Minneapolis Civil Service Commission. Department Seniority does not include time spent working for another department within the city. The Department Seniority of Cadet Firefighters who have not completed recruit training will be determined in accordance with applicable Civil Service Rules. Department Seniority lists are maintained by the Minneapolis Fire Department.

**“City Seniority”** means seniority based on the time served as a regular full-time employee in the classified service of any city department pursuant to the Rules of the Minneapolis Civil Service Commission. The employee’s City Seniority is determined by the date in which the employee is first hired from a list of eligibles from a certification list. Ties in City Seniority shall be broken by the employee’s ranking on the official eligible list maintained by the Minneapolis Human Resources Department and according to the rules of the Minneapolis Civil Service Commission.

**“Classification Seniority”** means seniority based on the time served in a particular job classification within the Fire Department. An employee’s Classification Seniority shall commence on the first day of work in a job classification and shall also include time served in all higher-ranking job classifications held by the employee within the Fire Department. Ties in Classification Seniority shall be broken by the employee’s ranking on the eligible list maintained by the Minneapolis Human Resources Department for the classification in question and according to the rules of the Minneapolis Civil Service Commission. Classification Seniority lists are maintained by the Minneapolis Fire Department.

**“Permanent Vacancy”** means a new position in the job classification of Fire Fighter, Fire Motor Operator or Captain or a position in the rank(s) resulting from the situation where the previous incumbent employee is no longer entitled to return to the position or is not likely to return to the position within the following 24 months.

**Effect of disciplinary suspension on seniority:** Disciplinary suspensions in excess of 59 consecutive calendar days will be deducted in their entirety from an employee’s total time served for any class of seniority. Suspensions of less than 60 consecutive calendar days will have no effect on the seniority of the involved employee.

### **Section 17.01 - Shift Schedules**

The City reserves the right to unilaterally establish a *work period* under the provisions of the Federal Fair Labor Standards Act. Work schedules shall be established using a twenty-four (24) hour day, three (3) shift scheduling model with work distributed among the three shifts every six days as follows: A; B; A; B; C; C. Either party may notify the other in writing on or before July 1 of each calendar year of the desire to reconsider the scheduling model then in effect. If such notice is given, the parties shall meet and confer on alternative scheduling models. If however, the parties cannot reach an agreement on or before August 15, the Union shall have until the close of business on August 20 to select the three (3) shift, twenty-four (24) hour scheduling model. If the Union does not select a model by August 20, the Chief shall select the model to be used following the next redraw.

### **Section 17.02 - Redraw**

#### **Subd. 1. General**

On January 1 of each even-numbered calendar year, bargaining unit employees who have more than two (2) years of sworn City seniority shall be assigned to assignments within their job classification

consistent with the staffing needs of the Department and with particular regard to their relative job classification seniority and their particular work assignment preferences in the manner described in subdivision 2, below. Fire suppression assignments shall be made in accordance with this Section 17.02. Staff Captain assignments shall be made in accordance with Section 17.07 and shall be completed prior to the commencement of the redraw under Section 17.02.

#### Subd. 2. Administration

- a. *General Rule.* The Union, its officers, other representatives and members shall cooperate and assist the Employer in the administration of these provisions. All parties shall use their best efforts under all of the circumstances to begin the annual redraw process in early September of each odd-numbered calendar year. The Employer shall publish a redraw schedule at least two (2) weeks in advance of the first day of the bidding process. Employees shall be given the opportunity to select an available work assignment (i.e., duty location and shift) within their job class in the order of their relative classification seniority. Employees who miss their scheduled bidding time shall immediately be permitted to select an available assignment after contacting the Administration. Employees shall be allowed to make reasonable arrangements acceptable to the City to participate in the redraw on an absentee basis such as, for example, by written proxy filed with the Department's Assistant Chief during the two-week (2) notice period referenced above. Scheduling of days off pursuant to the provisions of Section 11.02 of this Agreement shall not begin until at least one (1) calendar week after the end of the published redraw schedule.
- b. *Selection of Station 8 or Station 11.* The assignment to Station 8 or Station 11 shall be for a term of two (2) years, meaning that an employee who selects such assignment shall not be eligible to exercise transfer rights under Section 17.03 below. However, the Department in its sole discretion may waive the minimum length of service requirement at Station 8 and Station 11. The selection of an assignment to Station 8 or Station 11 shall not prevent an employee from being eligible to seek or accept a promotion. If an employee transfers to an assignment at Station 8 or Station 11 after the redraw, the employee shall serve in such assignment for the remainder of the term of the vacancy they filled.
- c. *Training.* The Employer is committed to training those employees who have the requisite seniority to select an assignment but need additional training in the performance of that assignment's duties.

### **Section 17.03 - Transfers and Reassignment Following Redraw**

#### Subd. 1. Posting

The Employer shall make a monthly posting of vacant fire suppression assignments within each job classification covered by this agreement. The right of an employee to request a transfer to a vacant assignment shall expire 25 days after the list is first posted.

### Subd. 2. Transfers Initiated by the Employee

In addition to the provisions of Section 17.02 of this Agreement, bargaining unit employees who are assigned to fire suppression units and who have more than two (2) years of sworn Department seniority, may transfer to another vacant fire suppression assignment within their job classification, subject to the following conditions:

- a. A transfer on the same shift, the vacation drawn will remain the same.
- b. A transfer to another shift will result in all the vacation not already taken being reassigned by the administration based upon Department needs and, to the extent possible, the desire of the employee.
- c. Transfers to assignments requiring specific qualifications (i.e. Haz Mat) will be done on the basis of qualifications.

The right to transfer is contingent upon the bargaining unit employee notifying the Department in writing of their desire to be transferred to the vacant assignment within the time specified in paragraph A, above. If more than one employee has requested a transfer to a vacant assignment, the employee with the most classification seniority shall be entitled to the assignment. A transfer request shall expire concurrently with the expiration of the right to submit a transfer request under each posting and, therefore, shall not carry over from one posting period to the next. Such transfers shall be made effective on the first day of the calendar month immediately following the expiration of the posting period or as soon thereafter as possible and practical. The provisions of this Section shall not be observed with respect to assignment vacancies occurring during the month of December in any calendar year or where the Department elects to eliminate the vacant assignment.

### Subd. 3. Reassignment of Personnel Initiated by Department

If staffing levels among the shifts become imbalanced, the Department may reassign personnel from one shift to another in accordance with the provisions of this paragraph. The preference of the Department is to accomplish the rebalancing with volunteers. However, because of the time involved in the posting process, rebalancing of the shifts may initially be accomplished by inverse classification seniority. When inverse seniority is used, the Department shall give not less than seven (7) calendar days advance notice to affected employees prior to the effective date of such reassignments. In order to solicit volunteers, the Department shall also make a one-time posting of the assignments made available by reason of the rebalancing and consider transfer requests in the manner specified in paragraphs A and B, above. After the period to submit transfer requests for the posted assignments has expired, requested transfers shall be considered and granted in the manner specified in paragraph B, above. An employee initially reassigned by inverse seniority to an assignment and subsequently displaced by a volunteer from the one-time posting may be reassigned at the discretion of the Department. Notwithstanding any provisions of paragraph B to the contrary, following reassignment initiated by the Department under this paragraph (whether accomplished by inverse seniority or voluntary transfer), the Department will grant to

a reassigned employee days off from their new shift corresponding to previously granted days off from their old shift when the employee can reasonably demonstrate that they had made plans for time off and that the inability to take time off during in accordance with such plans would cause a hardship to the employee. In all other cases, the Department shall use its best efforts to work with an affected employee to schedule days off at a time mutually acceptable to the Department and the employee.

#### Subd. 4. Removal After Bid

Once an employee has successfully bid for an assignment, the employee shall not be removed from the assignment until after the next redraw unless:

- (a) the employee agrees to accept another assignment;
- (b) the employee is reassigned pursuant to the application of the inverse seniority provisions in this Section 17.03; or
- (c) the retention of the employee in the assignment would unduly disrupt the operations of the station to which they are assigned.

An employee who has bidding rights under Section 17.02, subd. 1, and who has successfully bid for an assignment, shall not be removed or temporarily displaced from their bid assignment merely to accommodate the assignment of a newly hired employee.

An employee who is transferred pursuant to subparagraph 3 may be transferred between companies as long as they stay on the same shift as their original bid. Such transfer shall not occur prior to a conference among the Chief, the President of Local 82, and the employee's supervisor. The conference shall clearly identify the issue and result in the development of an action plan. Where practical, no transfer shall take place without providing the employee an appropriate time to correct the deficiency. Nothing in this paragraph D shall preclude the Department from temporarily reassigning or detailing an employee to another assignment when necessary to meet the legitimate business needs of the Department. The Department shall first attempt to meet such needs with volunteers, but may assign the least senior qualified employee. Upon the conclusion of the temporary assignment, the employee shall be entitled to return to their prior assignment unless a redraw has been held and become effective during the time the employee was serving in the temporary assignment.

### **Section 17.04 - Layoffs, Bumping and Displacement**

#### Subd. 1. Definitions.

1. A "lay off" is when an employee loses their position due to a lack of funds or work even if the action results in the demotion of the employee rather than interruption of their employment.

2. “Bumping” is when an employee who is laid off exercises their right to take a position in a lower rank from an employee with less Classification seniority.
3. “Displacement” is when an employee who has lost their assignment exercises their right to take an assignment in the same rank from an employee with less classification seniority.

#### Subd. 2. Layoff by Classification Seniority

Whenever it becomes necessary because of lack of funds or lack of work to reduce the number of employees in any rank, the employees to lose their positions shall be determined by inverse classification seniority within the rank in which reductions are to be made.

#### Subd. 3. Notice

The Employer shall provide affected employees with at least thirty (30) calendar days’ notice prior to the contemplated effective date of a reduction in the size of the work force or the elimination of assignments.

#### Subd. 4. Bumping Rights

Employees who have at least two (2) years of sworn Department seniority shall have the right to bump an employee of lesser Classification seniority in the next lower rank previously held permanently by the laid off employee. If the laid off employee cannot properly bump any employee in the next lower rank, such laid off employee shall have the right to bump an employee of lesser Classification seniority in progressively lower ranks previously held permanently and satisfactorily performed by the laid off employee. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed assignment (which includes specialty assignments) and must be qualified to perform the required work.

#### Subd. 5. Displacement Rights

When a fire suppression assignment to which an employee has bid is eliminated or when an employee loses their assignment by reason of being bumped or displaced, regardless of whether the elimination results in a reduction in the number of employees in the job classification, an employee who has at least two (2) years of sworn Department seniority shall have the right to displace an employee of lesser classification seniority within their job classification and shift.

#### Subd. 6. Bumping/Displacement Process

When an event occurs that triggers bumping or displacement rights, the process shall be implemented in the following sequence:

1. The Department shall identify the positions or assignments to be eliminated;
2. The Department shall identify the employees to be laid off, if any, by inverse classification seniority;

3. The Department shall determine the number of positions that shall remain in each job classification on each shift;
4. If necessary, the Department shall balance the shifts in accordance with Section 17.03;
5. Laid off employees having bumping rights shall be given an opportunity to exercise their bumping rights.
6. Displaced employees having displacement rights shall be given an opportunity to exercise their displacement rights.
7. If a laid off or displaced employee selects a vacant assignment that has already been posted, the employee may be displaced by an employee with greater Classification seniority who timely submits a transfer request for the vacant assignment.

Notwithstanding the foregoing, family members (spouse, registered domestic partner, parent, child or sibling) may not be assigned to the same rig on the same shift. If the bumping/displacement process results in two or more family members working on the same rig on the same shift, all family members other than the one having the most Department seniority among the family members, shall move to a different assignment on the same shift. If eligible, such less senior family members may exercise displacement rights under this Subd. 6.

#### Subd. 7. Personnel Returning from an 8-hour Shift

Personnel returning from an 8-hour shift assignment to a 24-hour shift fire suppression assignment shall be entitled to exercise the bumping/displacement set forth in this Section, but shall not be limited to any specific shift.

#### Subd. 8. Job Bank; Recall from Layoff

Employees covered by this Agreement shall be eligible to participate in the Job Bank Program pursuant to the terms and conditions as set forth in Minneapolis Code of Ordinances 20.810, et. seq. and the Job Bank Letter of Agreement attached hereto as Attachment C. To the extent that there are provisions of this Labor Agreement that conflict with the Letter of Agreement, the Labor Agreement shall prevail.

An employee designated for layoff who accepts a position with the City that is not represented by this bargaining unit pursuant to the "Job Bank" or who suffers an interruption in employment by reason of being laid off, shall be placed on a list. Notwithstanding any provision in this Agreement or Civil Service Rules to the contrary, the Employer agrees that employees shall be recalled from the layoff list in order of reverse seniority, "last in, first out."

Except as provided below, the employee shall remain on the layoff list until they are recalled or they refuse an offer to be recalled.

1. *Prerequisites to Recall.* An employee shall be eligible for recall if the following conditions are satisfied at the time of recall:
  - a) The employee possesses a valid driver's license and a valid EMT Certificate. The Employer will provide the opportunity for an employee on the Layoff List to maintain their EMT certification.
  - b) The employee is fit for duty. An employee shall be presumed fit for duty, but may be referred for a fitness for duty evaluation prior to recall based on the circumstances described in Section 24.02 of this Agreement.
  - c) The employee passes a background check, if required by the Fire Chief (applicable only with regard to an employee who has been on the layoff list for more than 6 months).
2. *Conditions for Return to Active Duty Upon Recall.* An employee who is recalled must complete all training necessary to main their state license within 45 days of recall prior to be returned to full duty status. The Department will provide the training sessions necessary to allow the employee to meet this requirement. If the employee fails to satisfactorily complete the training, they may be returned to the layoff list.
3. *Termination of Recall Rights.* An employee may be removed from the layoff list and, as a result, have their recall rights terminated under any of the following circumstances:
  - a) the employee fails a required background check; or
  - b) the employee took another assignment with the City through the Job Bank, was terminated for just cause from such assignment and the termination was upheld on appeal or the employee did not contest the termination; or
  - c) the employee took another assignment with the City through the Job Bank, was released from probation, the Employer petitioned the Civil Service Commission to remove the employee from the layoff list and, applying the just cause standard, the Commission determined that the employee should be removed from the layoff list.
4. *Consequences of Being Not Fit for Duty at Time of Recall.* An employee who is offered a recall but who is not fit for duty at the time of recall shall be given sixty (60) days to demonstrate that they can meet the physical requirements of the job. Where the employee is unable to meet the physical requirements due to a diagnosed illness or injury, the Fire Chief may extend the initial period to demonstrate fitness for duty by an additional sixty (60) days. If the employee is unable to meet the physical requirements during such initial period (including any extension by the Chief), the employee shall be removed from the layoff list and placed on a medical layoff.

5. *Consequences of Not Having a Valid Driver's License or EMT Certificate.* An employee who fails to have a valid driver's license and/or a valid EMT Certificate at the time of recall shall be passed over until the next available vacancy occurring after they have notified the Department that they have corrected the deficiency.

Nothing in this Subd. 8 is intended to supersede or limit any rights or benefits provided under applicable pension laws.

#### Subd. 9. Recall from Demotion

Notwithstanding any provision in this Agreement or Civil Service Rules to the contrary, the Employer agrees that any employee in the rank of Battalion Chief, Captain or FMO who is demoted by reason of being laid off, shall be placed on a demotion list. An employee placed on a demotion list shall remain on such list until they are returned to the rank from which they were demoted or they refuse an offer to return to such rank. When the Employer elects to fill a vacancy in the rank of Battalion Chief, Captain or FMO, it shall first fill the vacancy from an existing demotion list on a "last in, first out" basis and then, after no names remain on such demotion list, from the list established by the examination process.

#### Subd. 10. Effect on Appointed Positions

Employees who hold a rank within the classified service but are serving in an appointed position within the Department cannot be displaced (*bumped*) within the meaning of this Article by other bargaining unit employees during the time such employees hold their appointed positions. In the event such a person is removed from their appointed position they shall have the right to return to their last-held civil service rank.

#### Subd. 11. Exceptions

The following exceptions may be observed:

1. *Mutual Agreement.* If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or their designated representative, employees will be laid off and reemployed upon that basis.
2. *Emergency Retention.* Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

#### Subd. 12. Days Off

For the purpose of determining the days off for an employee who changes their shift as a result of exercising their bumping rights, the exercise of bumping rights shall be treated as a transfer initiated by the Department pursuant to Section 17.03, subd. 3., above.

### **Section 17.05 - Replacement Positions**

Notwithstanding the seniority provisions of this Article, the Department retains the right to assign Fire Fighters who have two (2) years of sworn service or less to replacement positions based upon Departmental needs. During the first three (3) months of a newly hired Fire Fighter's initial assignment to a station; they shall not be subject to periodic changes in duty location referred to by the Parties as *floating*. During the remaining portion of a newly hired Fire Fighter's initial probation, such duties shall be assigned only where the Department's Training Officer and the involved employee's District Chief and Captain all certify that the employee has been adequately prepared for such duty.

### **Section 17.06 - Hire Backs and Working Out Of Grade**

This Section describes the process by which the Department will fill temporary vacancies (a vacancy for which the incumbent is expected to return to work in six (6) months or less) on a daily basis. This Section shall not apply with regard to the use of “details” as referenced in the Rule of the Civil Service Commission.

The Department will administer its *Hire Back Program* to ensure, to the extent feasible, that employees are hired back in grade.

When filling a vacancy, the vacancy shall be filled by an employee having the same rank as the position being filled using a list of volunteers. To the extent that this is not feasible due to a lack of available volunteers in grade, the Department may fill remaining vacancies using Out of Grade Assignments. Once the daily schedule has been finalized, including work out of grade assignments, employees who have been assigned to work out of grade shall be considered to be a member of the grade to which they have been assigned for that day. Any additional vacancies may be filled by either Hire Backs or Work Out of Grade assignment.

An employee will be paid out of grade pay for all hours worked in an out of grade assignment when: the out of grade assignment commences within one (1) hour of the start of the shift filled by the employee; or the out of grade assignment is for four (4) or more hours in duration. The compensation payable for work out of grade assignments shall be determined pursuant to Section 7.05, subd.1, in the same manner as if the employee had been promoted or detailed to the position. For the purpose of interpreting the Rules of the Civil Service Commission “Working Out of Grade” is considered synonymous to a “detail” as defined by the Rules.

### **Section 17.07 - Selection and Assignment of Fire Fighter/Fire Motor Operator/Captain to Staff Captains**

#### **Subd. 1. General**

The term “Staff Captain” shall be used to describe an employee who is assigned to certain special duties as determined by the Chief and consistent with this Section. “Staff Captain” is not a job

classification and, therefore, the process for employees to be assigned to or removed from Staff Captain duties is not subject to the promotional process described in the Civil Service Rules or in this Agreement.

#### Subd. 2. Eligibility

Any Fire Fighter who has completed at least four years of service as a sworn employee of the Minneapolis Fire Department and any Fire Motor Operator or Captain shall be eligible to be assigned to serve as a Staff Captain.

#### Subd. 3. Duties

The duties of a Staff Captain are chiefly administrative or technical in nature and may vary to meet the needs of the Department. Assignment as a Staff Captain is considered an important, although not required, element of the career development for an employee interested in a management position and as such constitutes an important component of the Department's Succession Plan. Typical duties may include but are not limited to: developing and delivering training programs; evaluating and purchasing equipment; developing and producing various management reports; presentations and plans; preparing and disseminating information to the public and media; inspecting buildings and overseeing correction of code violations; and providing employee assistance. The duties of a Staff Captain are separate and distinct from those of a Battalion Chief, Deputy Chief or Assistant Chief and other recognized sworn job classifications in the Department and the Department shall not permanently assign the duties of such ranking job classifications to Staff Captain from temporarily assuming the duties of another sworn classification subject to the work out of class provisions of this Agreement and applicable Civil Service Rules.

#### Subd. 4. Selection

Subject to the provisions of Subd. 7, below, regarding the period which a specific employee may be assigned as a Staff Captain, the number and duration of Staff Captain assignments shall be determined at the discretion of the Chief. When an opening for a new assignment is created or results from an assignment being vacated by an incumbent or when the term of an incumbent is expiring, the Department shall post a notice of the assignment opportunity for a period of not less than twenty (20) days in a manner reasonably calculated to reach all eligible employees. The posting shall include: a description of the duties associated with the assignment; the duration of the assignment (if for a definite term); the work schedule for the assignment; the minimum and preferred qualifications for the assignment; and a description of the selection process. Selection of the successful candidate shall be at the discretion of the Chief. Employees shall serve as a Staff Captain at the pleasure of the Chief. Neither the assignment of employees as a Staff Captain nor the reassignment of employees to the duties of their civil service job classification are subject to the grievance procedures of this Agreement. During the period of assignment as a Staff Captain, an employee shall retain their civil service rank and shall continue to accrue classification seniority in such rank.

Subd. 5. Compensation

The wage schedules attached hereto as Appendix A include a wage for employees assigned as staff captains. An employee assigned as a Staff Captain shall be placed on the salary schedule in the same manner as provided in Section 7.05, *Pay Upon Promotion*, an employee assigned as a staff captain shall continue to be eligible for step progression through the Staff Captain salary schedule pursuant to Section 7.05 of this Agreement.

Subd. 6. Work Schedules

The normal work week for an employee assigned as a Staff Captain shall be forty hours per week and the normal work shift shall consist of eight (8) or ten (10) consecutive hours of work as determined by the Department.

Subd. 7. Term of Assignment; Minimum Commitment

The term for an individual employee assigned to a Staff Captain assignment shall be the lesser of: two (2) years; or until the Staff Captain assignment is eliminated. However, nothing shall limit the Chief's discretion under Subd. 4 to select an employee to serve multiple and/or consecutive terms as a Staff Captain. An employee accepting an assignment as Staff Captain agrees to serve a minimum of two (2) years in the assignment. However, such minimum commitment may be waived by the Chief in their discretion. In addition, the Chief may remove an employee from the assignment, shorten the duration of the assignment or abolish the assignment at their discretion at any time prior to the expiration of an employee's minimum commitment. Nothing herein shall preclude an employee from taking a promotional exam or accepting a promotion during the term of their minimum commitment as a Staff Captain.

Subd. 8. Return to Fire Suppression

When an employee returns to fire suppression duties upon removal or resignation from Staff Captain duties or upon the expiration of an assignment of limited duration, the employee may be assigned fire suppression duties at a work location and on a work shift at the discretion of the Chief, subject to the employee's right to bid for posted vacancies by seniority pursuant to the provisions of Section 17.03. If an employee returns to fire suppression duties as a result of the elimination of the assignment, such an occurrence shall be considered a "layoff" within the scope of Section 17.04 and the affected employee shall be entitled to the rights of a laid off employee as set forth in Section 17.04.

## **ARTICLE 18**

### **DISCIPLINE**

**Section 18.01 - Scope**

The City will discipline employees who have completed the required probationary period only for just cause. Investigations into an employee's conduct which do not result in the imposition of discipline shall not be entered into the employee's official personnel file. Verbal reprimands, written reprimands, and

suspensions shall all have a “reckoning period”. The term reckoning period is defined as “that period of time which a previous infraction may be considered in a present disciplinary action”. The reckoning period schedule is as follows: verbal reprimands – 2 years; written reprimands – 3 years; and suspensions – 5 years. The computation of the reckoning period shall begin with the date the discipline was given. Upon expiration of the reckoning period, the matter shall be stamped expunged and not available to the general public unless mandated by the Data Practices Act or court order.

The right to not have the matter used for progressive discipline or deemed expunged will not exist where the underlying infraction that caused the discipline was the violation of another individual’s statutory rights, e.g. sexual harassment, race discrimination, gender discrimination, etc. Such matters will remain as an active file in the employee’s official personnel file.

### **Section 18.02 - Appeal Rights**

A suspension, written reprimand, demotion or discharge of an employee who has completed the required probationary period may be appealed through the grievance procedure as contained in Article 5 (*Grievance and Arbitration*) of this Agreement.

### **Section 18.03 - Investigative Procedure**

Interviews of personnel will, to the extent possible, be conducted in the following manner:

- a. Advance notification of the interview will be given to the employee. This notice will generally be at least 2 hours. This time may be less if Union representation is working the same shift.
- b. Individuals notified for an investigative interview will be notified whether they are the subject of the investigation or a witness.
- c. All individuals will be afforded the ability to have Union representation regardless if they are the subject of the investigation or a witness.
- d. Interviews will be conducted, to the extent feasible, during shifts that the individuals being interviewed are working.
- e. Just prior to the interview, a brief description of the issue(s) will be given to the employee to be interviewed. A short period of time (10-15 minutes) will be granted to the employee to confer with Union representation if they so desire.
- f. Subjects of investigations or witnesses shall not discuss the investigation with anyone other than Union or Legal representatives. Retaliation against any witness or person making allegations is prohibited and may subject the violator to additional disciplinary action.
- g. The Investigator may tape record the interview but will do so if the employee requests. If the interview is to be tape recorded, a transcript will be prepared and the employee will be given an

opportunity to review the transcript and make any corrections. At the employee's request, they will be given a copy of the final signed transcript.

## **ARTICLE 19**

### **CIVIL SERVICE RULES**

#### **Section 19.01 - General**

The City and the Union agree that they will actively support, for the term of this Agreement, before the Minneapolis Civil Service Commission and otherwise, the existing civil service rules relating to affirmative action and other matters covered by the Rules, except to the extent such rules are contrary to the terms of this Agreement.

#### **Section 19.02 - Probationary Periods**

Notwithstanding the provisions of the Minneapolis Civil Service Rules, an employee hired to serve in the job classification of Fire Cadet shall be on probation during the entire term of service in such class. Upon promotion to the job classification of Firefighter, an employee shall serve a probationary period of one year of active payroll status in the classification of Firefighter. At the discretion of the Fire Chief, the probationary period for a Firefighter may be extended for 3-months with prior notification, including reasons, to the Union. While a Fire Cadet or a Firefighter is on probation, the employee may, at the discretion of the Union, be represented by the International Association of Fire Fighters but shall not have access to the Grievance/Arbitration Procedure described in Article 5 of this Agreement.

Each member of the Union that is promoted to a classification above Firefighter shall serve a probationary period of six months, excluding sick leave and/or time spent on Workers Compensation. At the discretion of the Fire Chief, the probationary period may be extended for 3-months with prior notification, including the reasons, to the Union. During such probationary period the employee may, at the discretion of the Union, be represented by the International Association of Fire Fighters but shall not have access to the Grievance/Arbitration Procedure described in Article 5 of this Agreement with respect to their discipline or probationary release. In the event a promoted employee is released from their promoted position, they shall be returned to their last held Civil Service position.

If, in the opinion of the Employer, the conduct that led to the probationary release of a promoted employee is of such significance to consider termination of the employee, the employee shall have access to the Grievance Procedure contained in Article 5 of this Agreement.

## **ARTICLE 20**

### **LABOR-MANAGEMENT COMMITTEE**

#### **Section 20.01 - General**

During the life of this Agreement, the Parties shall periodically meet through their Joint Labor-Management Committee to discuss matters of mutual interest and concern. Said committee shall adopt bylaws to effectuate the purposes of: a) improving the relationship between and among the City, the Union and Fire Department personnel, b) increasing the quality of service provided to the citizens of the City of Minneapolis by Department personnel, and c) improving the efficiency with which such service is provided.

The Labor-Management Committee will have two (2) standing agenda items: 1) budget and its impact on operations, and 2) permanent vacancies and the plans for such vacancies. If these items are not addressed for any three (3) consecutive months, the Union may notify the Director of Labor Relations and request the Labor-Management Committee be convened to address the issue(s). Upon such a request, the Director of Labor Relations will schedule a Labor-Management Committee meeting, which will occur within thirty (30) days of the request.

Notwithstanding the provisions of this Article 19, Civil Service Rule 9.03 remains in effect and is not superseded or modified by this Agreement. Accordingly, the Civil Service Commission retains jurisdiction over disputes relating to the interpretation or application of Civil Service Commission Rule 9.03.

#### **Section 20.02 - Cultural Awareness Sub-Committee.**

The Labor-Management Committee may convene the Cultural Awareness Sub-Committee for the purpose of assisting the Labor-Management Committee in consideration of diversity topics impacting the Fire Department. The Cultural Awareness Sub-Committee shall be co-chaired by two members of the Labor-Management Committee – one selected by the Administration, and the other selected by the Union. The remaining members of the Sub-Committee shall be appointed from among the employees of the Department by consensus of the Labor Management Committee, but shall include at least one (1) representative of the Fire Chiefs Unit. Upon completing its work on the assigned issue(s), the Cultural Awareness Sub-Committee will present its recommendations to the Labor Management Committee for consideration. The Fire Chief retains the discretion to make the final decision on matters of inherent managerial policy.

## **ARTICLE 21**

### **WORK PLACE ENVIRONMENT**

The Employer and the Union reaffirm their commitment to encourage and maintain a work environment which is hospitable to all employees, managers and supervisors. To that end, the Employer and the Union

shall continue to refine a formal *alternative dispute resolution* (ADR) system for the purpose of managing conflict resolution systems and/or to provide coaching and training to employees, managers, and supervisors in conflict resolution techniques.

## **ARTICLE 22**

### **MILEAGE REIMBURSEMENT**

Employees will be reimbursed for miles driven in their personal vehicle when ordered by a supervisor to travel for business purposes after reporting for duty. The reimbursement shall be at the IRS rate and payable provided: the employee submits documentation including the date, the departure location and destination, miles of trip (using MapQuest), and the business reason for the travel; and such documentation is submitted within 60 days of the occurrence for which reimbursement is claimed.

## **ARTICLE 23**

### **MEDICAL EXAMS AND HEALTH CLUB MEMBERSHIP ELIGIBILITY**

#### **Section 23.01 - Periodic Medical Examinations**

Medical examinations of bargaining unit employees will be performed as per OSHA requirements. Employees will fill out a medical questionnaire for review by the City Physician. This questionnaire is required to be cleared to wear an S.C.B.A. Follow up with the Physician could be necessary based on the answers given on the questionnaire. This program will meet the OSHA medical requirements that Firefighters demonstrate each year that they can perform the duties of interior structural firefighting.

#### **Section 23.02 - Physical Fitness Evaluation; Cadet Test Norming**

##### **Subd. 1. General Evaluation Protocol**

All employees may be required to complete a fitness evaluation every two (2) years. If required, employees will be given notice of the testing requirement and the components of the test at least ninety (90) days in advance.

The fitness evaluation may consist of a measure of the employee's muscle strength (e.g., arms, legs, and hands), muscle power (e.g., vertical jump), muscle endurance (e.g., push up/pull up/sit up/wall sit or squat test), flexibility (e.g., sit & reach) and cardiovascular or aerobic capacity.

Prior to the employee's scheduled evaluation, the employee may be required to complete a risk assessment questionnaire. This questionnaire will initially be reviewed by the testing agency that will determine the appropriate evaluation protocol.

When the employee is determined fit to undergo the evaluation, such evaluation will be conducted in

private while the employee is on duty at predetermined dates identified by the Employer. Employees will follow the instructions given to them regarding the evaluation.

An employee may be excused from taking the evaluation on the scheduled date if it falls on the date of the employee's scheduled vacation or if the employee requests to be excused due to an existing illness or injury. In cases where such existing illness or injury is not incurred in the line of duty, the limited duty and administrative leave provisions set forth below shall not be applicable. The evaluation shall be rescheduled as soon as possible by the Employer after the employee's illness or injury has healed.

The evaluation will result in the preparation of a report to the employee of their fitness level relative to fire fighters of like age and gender from a national test sample and, where appropriate, the preparation of a recommended regimen by an exercise physiologist for the purpose of assisting the employee in improving their fitness. The Employer will receive an aggregate summary of the fitness level of all employees relative to Firefighters of like age and gender from a national test sample. Data from employees who participate in an alternative method of evaluation (e.g. step-test or predicted formula) will result in the preparation of a report to the Employer describing the total number of employees evaluated by each alternative method. No individual data, such as the employee's name, age, gender and evaluation outcome will be provided or made accessible to the Employer.

#### Subd. 2. Fitness to Undergo Evaluation

If the employee cannot complete the evaluation or if the exercise physiologist or other person administering the evaluation (collectively the "Evaluation Administrator") determines prior to or during the evaluation that proceeding with or completing the evaluation could pose a risk to the health of the employee, the employee will be notified that they should be examined by a doctor. Such notification shall be in writing and shall contain a description of the condition to be evaluated by the doctor and the physical requirements of the position. The Employer will not be notified of the referral to the doctor or the underlying reasons for the referral provided that the employee submits to the Evaluation Administrator within thirty (30) days of the referral notice documentation from a physician that the employee is cleared to proceed with the evaluation. After the employee provides documentation from a physician that the employee is cleared to take the evaluation, the Evaluation Administrator will then reschedule the evaluation as soon thereafter as is practical.

If the employee chooses, the employee may obtain such medical clearance at no cost by seeking reimbursement from the Fire Department for the out-of-pocket expenses (those not covered by insurance) from their own physician or by being examined by the City's physician. The Employer will obviously learn of the existence of the referral (but not of the details of the medical exam) if the employee is seeking to have the Employer pay for the exam, however there will be no adverse consequences to the employee if they are cleared to take the evaluation. The employee may also report the condition to the Employer at any time before the expiration of the thirty (30) day period if the employee becomes concerned that the condition puts the employee at risk in performing their regular duties, thereby invoking the provisions of subd. 3., below.

### Subd. 3. Fitness for Duty

If the employee does not submit to the Evaluation Administrator within thirty (30) days of the referral notice documentation that the employee is cleared by a physician to take the evaluation, the Evaluation Administrator will notify the Employer that the employee was unable to take or complete the evaluation for medical reasons. If the Evaluation Administrator or the employee notifies the Employer of a condition that is of a nature that would put the employee at risk if the employee were performing their regular duties, the employee may be restricted from returning to full-duty and, if so restricted, shall be placed, at the discretion of the Chief, on a limited duty assignment or paid administrative leave pending examination of the employee. The employee shall be examined by a physician of their choice for a determination as to the employee's fitness for full duty. The employee may also choose to be examined by the City's physician at no cost to the employee. If the employee is examined by their own physician, the Employer will reimburse the employee for any out-of-pocket expenses incurred as a result of the initial fitness evaluation, to the extent not covered by the employee's health insurance. Subsequent out-of-pocket medical expenses, if any, relating to the treatment of any condition identified by the employee's physician or the City's physician shall be borne by the employee. If the employee does not submit to an initial examination within fourteen (14) days of the date they are relieved of full-duty or if the employee fails to cooperate in submitting to any necessary subsequent examinations in a timely manner, the Chief may terminate the limited duty or administrative leave status and place the employee on unpaid leave, subject to the ability of the employee to use accrued time banks (sick leave or vacation). In order to return to full duty, the employee must produce documentation from their physician in a form acceptable to the Employer that the employee is cleared to resume full-duties. The Employer reserves the right to require an evaluation by the City's physician before allowing the employee to return to full duty.

If the employee becomes subject to work restrictions that prevent the employee from performing normal firefighting duties, and if such employee is not ready to return to normal firefighting duties within six months after such restrictions were imposed, the Department may terminate the limited duty assignment and designate the employee for placement on a medical layoff. If an employee is designated for placement on a medical layoff, the employee shall be entitled to exhaust sick leave, vacation or other paid-time bank before the layoff becomes effective. An employee may remain on the medial layoff/recall list for up to three (3) years. Nothing in this agreement shall prohibit the employee from seeking other employment within the City.

### Subd. 4. Cadet Work Simulation

In addition to the fitness evaluation referenced in this Section, Firefighters will be required to complete the Cadet Work Simulation as needed to normalize cadet entrance standards. When possible, the Department will first attempt to obtain the necessary participants for the normalization process by seeking volunteers.

### Subd. 5. No Conflict with Workers' Compensation Laws

Nothing in this Section 23.03 shall be construed to be in conflict with any rights or obligations of the Employer or employee under applicable Workers Compensation laws or regulations. If such conflict

arises, the Workers Compensation laws and regulations shall prevail.

When an employee has been placed on a medical layoff, the employee's recall from layoff shall be governed by Rule 12 of the Minneapolis Civil Service Rules; subject to the employee establishing their ability to return to normal firefighting duties. Generally, if the period of time an employee is reasonably expected to be off the job is less than six months, a leave without pay may be more appropriate.

### **Section 23.03 - Health Club Memberships**

#### **Subd. 1. Eligibility**

All employees covered by this agreement are eligible for reimbursement for the cost of a single membership at an approved facility selected pursuant to the terms of this Agreement (the "Approved Facility").

#### **Subd. 2. Reimbursement for Approved Facility.**

Subject to the limitation in Subd. 3, below, reimbursement for the cost of a single health club membership at an Approved Facility(s) shall be made once per year to any employee who, between January 1 and January 31 of the following year, submits proof of the cost of the monthly membership payments made by the employee during the preceding calendar year. Reimbursement payments shall be made to employees on or before the last day of February, subject to normal withholding for taxes. Proof of cost may be made by invoices, account statements or verification from the Approved Facility. An employee who separates from service during the calendar year may seek reimbursement, subject to the limitation, for the cost of the membership during the year up to and including the month in which the employee separates from employment.

#### **Subd. 3. Limitation on Reimbursement.**

The amount that can be reimbursed by the City for a single membership at an Approved Facility shall not exceed \$780. The amount reimbursed by the City for a single (monthly) membership at an Approved (Health Club) Facility shall not exceed \$65 per month for the 12 month calendar year. If the cost of a single monthly membership is less than \$65 per month, reimbursement will be limited to the actual monthly cost. Beginning in 2018, and continuing thereafter, the amount of this limitation shall be adjusted as follows:

- a. In January 2018, and during each January thereafter, the Health Club Committee, described in Subd. 4, below, shall determine average cost of the lowest published rate (meaning the rate available to the general public, exclusive of negotiated corporate rates or rates negotiated by the City for its employees) for a single club membership at the following facilities: YMCA of the Twin Cities, YWCA of Minneapolis, Lifetime Fitness, Anytime Fitness, and Snap Fitness. The Committee shall also determine and then publish the list of approved facilities.

- b. The amount of the limitation on reimbursement shall be adjusted from the previous year by the percentage change in the average cost of a single membership from the previous year.

#### Subd. 4. Selection of Approved Facility

Approved Facilities shall be any facility that meets the criteria established by the Health Club Committee consisting of a representative selected by the Police Administration, a representative selected by the Fire Administration, a representative selected by the Police Federation and a representative selected by IAFF Local 82. The City shall maintain and make available to employees a list of Approved Facilities.

#### Subd. 5. No Use on Duty

No employee may use an Approved Facility while on duty.

## **ARTICLE 24** **FITNESS FOR DUTY**

### **Section 24.01 - Statement of Policy and Purpose**

The Minneapolis Fire Department and its employees know that the performance of fire suppression and life safety duties is inherently demanding and that such duties are sometimes performed under dangerous conditions and/or in a stressful environment. It is, therefore, important to the Department for the safety of its employees and the public to ensure that all personnel in the service of the Department are medically, psychologically and emotionally fit for duty. It shall be the policy of the Minneapolis Fire Department to require fitness for duty examinations in accordance with the provisions set forth herein.

It is the purpose of this policy to establish basic procedures for identifying members of the bargaining unit who may suffer from medical, psychological or emotional conditions which impair their ability to perform their job duties satisfactorily. This policy shall be administered in a manner which is consistent with the Department's desire to treat affected employees with dignity and respect under such circumstances and to provide information and assistance to them concerning their fitness for duty.

It is the goal of the City of Minneapolis to have healthy and productive employees and to facilitate successful treatment for those employees experiencing debilitating health problems. In furtherance of this goal, the Department is committed to applying this Policy to promote rehabilitation, rather than discipline, while minimizing the interruption to the employee's life and career and to the employer's operations.

### **Section 24.02 - Circumstances Requiring Fitness for Duty Examinations**

The Chief or Assistant Chief of the Fire Department may require an employee to be examined under this policy in the circumstances described below:

- a. Where there exists a reasonable cause to believe, based upon specific observations and facts that an employee may not be medically, psychologically or emotionally fit to perform the essential functions of the position to which he or she is assigned. Such reasonable suspicion must be based upon information provided to a supervisor that the employee is currently exhibiting conduct which reasonably demonstrates that the employee may be suffering from a physical or psychological condition which prevents the employee from effectively performing their duties and upon a reasonable assessment or investigation by the Chief or designee as to the reliability and/or legitimacy of such information;
- b. Where an employee is returning to active service after a leave of absence without pay or similar absence or where the employee has been outside of the Department's observation or control for a period longer than six (6) calendar months.
- c. Where an employee is returning to active service after a serious illness, injury or medical condition whether or not the employee's personal physician has placed restrictions on the employee's job-related activities.
- d. Where an employee has been involved in an incident where the potential for physical or psychological trauma to the employee was significant.
- e. Where the employee contends they are not medically, psychologically or emotionally fit for duty.

The provisions set forth in paragraphs (b) and (c) above shall not apply to psychological evaluations. A physician evaluating the physical fitness for duty may refer an employee for a psychological evaluation pursuant to the provisions of Section 24.04 below.

#### **Section 24.03 - Directives To Be Examined; Notice**

At the time an employee is required by the Department to undergo a fitness for duty examination, the Chief or Assistant Chief shall inform the employee of the reason(s) for the examination and shall provide the employee with a detailed summary of the information provided by the Department to the examining physician or other licensed medical provider. Except as described below in cases involving psychological examinations, refusal to submit to a required fitness for duty examination shall subject the employee to disciplinary action. In such cases, the employee shall not be permitted to work until the fitness for duty examination has been conducted and a fitness for duty finding has been made.

#### **Section 24.04 - Psychological Evaluations; Reasonable Basis; Appeals**

In accordance with the holding of the Minnesota Court of Appeals in *Hill v. City of Winona*, an employee may challenge the basis upon which the Chief or Assistant Chief relied in making the referral for the psychological evaluation before the employee shall be required to submit to a psychological fitness for duty evaluation pursuant to Section 24.02(a). Such a dispute shall not be subject to the grievance procedures set forth in Article 5 of this Agreement, but instead shall be resolved by the procedure set forth

herein. The dispute shall be referred to an appeal committee consisting of the President of the Union plus two designees and the Chief of the Department plus two designees. The Committee shall review all the information available to the Chief regarding the referral for the evaluation for the purpose of determining whether the factual basis for the referral is accurate and whether the referral is necessary. The Committee may seek additional information or refer the matter back to the Chief for further investigation. The Committee shall have the authority to make a final determination regarding the underlying facts upon which the referral was based and regarding whether the referral is necessary. Decisions of the Committee shall be by consensus. The Committee may seek outside assistance in the event it is having difficulty reaching a consensus. If a consensus cannot be reached on the issue of the underlying facts, the decision of the Union President, after seeking and considering input from the Committee members, shall be final and binding. If a consensus cannot be reached on the issue of whether the fitness for duty exam is necessary, the decision of the Fire Chief, after seeking and considering input from the Committee members, shall be final and binding.

#### **Section 24.05 - Examining Physicians; Costs**

The physicians and/or other licensed medical providers relied upon by the Department in the administration of this policy shall be selected and employed by the Department. To minimize the delay in evaluating the employee, the Department shall have more than one physician and/or licensed medical personnel to conduct fitness for duty evaluations.

The Department shall bear all costs associated with fitness for duty examinations required under this policy and all time required by such examinations shall be regarded as "work time" under the Fair Labor Standards Act and the provisions of this Collective Bargaining Agreement.

Notwithstanding the fact that the Employer is paying for the cost of the exam, the relationship between the employee and the doctor shall be that of "doctor and patient" and shall be subject to all applicable federal and state laws governing the confidentiality of medical information.

#### **Section 24.06 - Adverse Findings; Appeals**

Where it is determined that an employee is not fit for duty, the examining physician shall prepare a written report which includes the following:

- (a) A specific diagnosis of the employee's condition and the reasons why such problem renders the employee unfit for duty;
- (b) A statement as to whether the employee, with reasonable accommodation, is able to perform the essential functions of the job;
- (c) A specific treatment plan, if any; and
- (d) A prognosis for recovery and a schedule concerning re-examination.

The employee shall sign an appropriate release, if deemed necessary by the examining physician, in order to authorize the doctor to disclose to the Chief the forgoing information. A copy of the examining physician's written report shall be provided to the Chief of the Department and to the employee unless the examining physician or other licensed medical provider documents with reasonable specificity that disclosure of the information in the report is likely to cause harm to the employee or to others. In such cases, the information shall be handled and/or disclosed in a manner consistent with prevailing medical and/or legal authority.

In the event the employee disagrees with the determination of the examining physician or other licensed medical provider that the employee is not medically, psychologically, or emotionally fit for duty, the employee may submit medical information from a physician or other licensed medical provider of their own choosing. The employee shall be responsible for all costs associated with the second opinion that are not otherwise covered by the employee's medical insurance. Where the employee's physician and the Department's physician have issued conflicting opinions concerning the employee's fitness for duty, the Department and Union shall encourage the two physicians to confer with one another in an effort to resolve their conflicting medical opinions. If they are unable to do so within fifteen (15) calendar days after the date of the second opinion, the dispute concerning the employee's fitness for duty may be submitted by the Union to a neutral examining physician or other licensed medical provider (the "Neutral Examiner")

The Union and the Department shall establish one list of not less than three qualified Neutral Examiners who shall all have expertise regarding psychological or emotional disorders and one list of not less than three qualified Neutral Examiners who shall all have expertise regarding physical illnesses or injuries. All Neutral Examiners shall be qualified to opine as to the employee's fitness to engage in fire suppression and life safety duties. When the services of a Neutral Examiner become necessary, the referral to the Neutral Examiner must be made within thirty (30) calendar days after the date of the opinion from the employee's physician or licensed medical provider and the employee shall select the Neutral examiner from the established list. If no such referral is timely made, the determination by the City doctor shall be final and binding. Further, if the employee timely makes the referral but fails to make the selection of the Neutral Examiner within five (5) business days after the services of the Neutral Examiner are deemed necessary, the Employer may select the Neutral Examiner from the panel.

The Neutral Examiner may make a determination based on the files and records of the City's and Employee's respective doctors. In addition, if the Neutral Examiner determines it necessary, the employee shall be directed to submit to an evaluation by the Neutral Examiner. The decision of the Neutral Examiner shall be final and binding on the parties. If the Neutral Examiner determines that the employee is not fit for duty, they shall issue a written report to the parties, which includes the information specified above. To the extent not covered by insurance, the cost of the Neutral Examiner shall be split equally between the City and the Union. The dispute resolution procedures outlined herein shall not apply to Workers' Compensation cases

At such time as the Department determines that an employee shall be required to submit to a fitness for duty evaluation and/or during the time any controversy concerning the employee's fitness for duty is being

resolved, the Department may reassign the employee to other duties or relieve the employee from duty in its sole discretion. In the latter event, the employee shall be placed on paid leave of absence status which may be revoked if the employee fails to fully cooperate with the Department or its examining physicians and/or other licensed medical providers.

### **Section 24.07 - Layoff for Medical Reasons**

#### **Subd. 1. Temporary**

When an employee who has been found by the employee's treating physician to be temporarily unfit to perform the duties of a fire fighter and has exhausted their sick leave, vacation, and compensatory time banks, the employee may be laid off for medical reasons until they are again capable of resuming the duties. The employee's recall from layoff shall be governed by Section 17.04; however, the Department may require a satisfactory medical report from the City's health services provider before re-employment. Generally, if the period of time an employee is expected to be off the job is less than six months, a leave without pay may be more appropriate.

#### **Subd. 2. Permanent**

When an employee has been found by the employee's treating physician to be permanently unfit to perform the duties of a fire fighter, the employee may be released from employment. If the employee's treating physician fails to cooperate by rendering a decision, the City may select a health services professional to make the determination. Upon release, the employee's unused vacation and compensatory time, if any, will be paid to the employee within sixty (60) calendar days of their release. The employee's unused sick leave, if any, will be treated in accordance with Section 10.04, Sick Leave Separation Pay Plan.

## **ARTICLE 25** **LEAVES OF ABSENCE**

### **Section 25.01 - Budgetary Leave**

Notwithstanding any provision of the Labor Agreement, Civil Service Rules, or the policies of the Employer to the contrary, so long as this Agreement remains in effect, an employee may request an unpaid leave of absence under the terms of this Section. The request shall be granted unless the Chief, in their discretion, determines that such leave would be contrary to the legitimate business needs of the Department. Reasons for any denial shall be provided to the employee. Additionally, leaves may be cancelled upon an Emergency declaration by the Chief, but shall be sensitive to circumstances of the employee.

An employee may request a leave of absence for a continuous period of not less than four weeks and not more than 12 months. Such leave shall be taken in increments of not less than one week. To be eligible for the leave, the employee must notify the Employer in writing on or before September 1 of the year prior

to the calendar year in which the leave is to occur. Such written notice shall include the requested starting and ending date of the leave. Once granted by the Employer, the employee must take such leave during the period requested and may not return to work unless the Employer, in its sole discretion agrees.

During such budgetary leave of absence, an employee shall continue to accrue vacation, sick leave and seniority and the Employer shall continue to pay the Employer's portion of any health or life insurance premiums in effect with regard to such employee immediately prior to the commencement of such leave. Similarly, the employee shall continue to pay any monthly employee portions in order to maintain benefit levels.

### **Section 25.02 - Bereavement Leave**

A paid leave of absence of three (3) working days shall be granted in the event an employee in the classified service suffers a death in their immediate family. Immediate family is defined as an employee's Parent, Stepparent, Spouse, Registered Domestic Partner within the meaning of Minneapolis Code of Ordinances, Chapter 142, Child, Stepchild, Brother, Sister, Stepbrother, Stepsister, Father-in-law, Mother-in-law, Brother-in-law, Sister-in-law, Son-in-law, Daughter-in-law, Grandparent, Grandchild, Great Grandparent, Great Grandchild, or dependents of employee's household. For purposes of this subdivision, the terms father-in-law and mother-in-law shall be construed to include the father and mother of an employee's domestic partner.

Bereavement Leave may be used intermittently. However, the three (3) working days must be used within five (5) working days from the time of death or funeral, unless an extension is required for individually demonstrated circumstance. Intermittent use must be approved by the employee's supervisor. Approval will not be unreasonably withheld. In the event the supervisor does not approve, the employee may immediately appeal to the next upper level of the hierarchy.

Additional time off without pay, or use of available vacation time, shall be granted as may reasonably be required under individual demonstrated circumstances. Accrued and available leave balances (vacation, sick leave or compensatory time) may be used following current approval practices.

### **Section 25.03 - Union Business Leave**

#### **Subd. 1. Union Conventions/Conferences**

The Employer will release up to three Union Board members to attend the following events:

- (a) MPFF annual convention and MALTS conference
- (b) IAFF convention
- (c) IAFF Redmond conference
- (d) IAFF Legislative conference

- (e) IAFF ATLS conference

#### Subd. 2. Regular Monthly Union Meetings

The Employer will release all Board members to attend regular monthly board meetings and monthly membership meetings (one 24-hour shift per month per Board member).

#### Subd. 3. National Firefighter Memorial Ceremony

The Employer will release up to 4 union members (honor guard members) to attend the annual National Firefighter Memorial ceremony.

#### Subd. 4. Financial Responsibility For Union Leave

For each of the events described in subdivisions 1., 2. and 3. of this Section 25.03, the union member will be released from duty with pay and the Employer will bear the cost of hiring a replacement, if any. The Employer shall not be responsible for paying or reimbursing the member or the Union for any costs associated with attending such events, such as the cost of any travel expenses, program fees, meals, lodging or other expenses for attending a convention or activity.

### **Section 25.04 - Illness or Injury in the Immediate Family**

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child (“child” shall include the employee’s biological, step, adopted, or foster child under 18 years of age, or under 20 years of age if still attending secondary school), and not to exceed 160 hours in a rolling 12 month period (220 hours for an employee on a 24-shift schedule) when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, parents, parents-in-law, sibling, adult child, grandchild, grandparent, stepparent, guardian or ward. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the City of Minneapolis Family and Medical Leave Policy and Procedures.

### **Section 25.05 - Injury on Duty**

#### Subd. 1. IOD Benefit

An employee who suffers an illness or injury incurred in the performance of their official duties shall be provided an Injury on Duty (IOD) time bank up to one-thousand four hundred forty (1,440) hours (one thousand forty (1,040) hours for an employee on a 40-hour per week schedule) when the illness or injury prevents the employee from performing the essential functions of a firefighter.. An illness or injury incurred in the performance of official duties specific to firefighting, including training for firefighting

duties, will qualify for IOD only when: a leave is necessitated as the direct and proximate result of an actual injury or illness whether or not considered compensable under the Minnesota Workers' Compensation law; and the employee has submitted documentation of the injury or illness in accordance with established procedures; and the employee has been diagnosed from a licensed health care provider and complying with medically-provided recommendations for treatment and restrictions.

Subd. 2. Limitation on IOD Benefits

- (a) The IOD time bank may be used to provide the employee with a paid leave of absence only so long as the employee remains unable to return to full duty without restrictions.
- (b) An employee is not on a “leave of absence,” and thus not required to use their IOD time bank, when the employee is at work on a limited-duty basis. If an employee is provided with limited-duty work based on a 40-hour per week schedule, the employee’s accrued time banks, including their IOD bank, shall be converted pursuant to Section 10.02.
- (c) The IOD time bank must be utilized within twelve (12) months of the first day the illness or injury causes the employee to miss work. Any time remaining in an employee’s IOD time bank shall be reduced to zero at the end of the twelve (12) month period.
- (d) The IOD time bank is exclusively a “time off” benefit and, therefore, an employee is not entitled to be paid for any unused IOD time either during their employment or upon separation of employment.
- (e) An employee is not eligible for IOD benefits with regard to illnesses or injuries incurred as the direct result of substantial and wanton negligence or misconduct of the employee.

Subd. 3. IOD Benefit for an Employee Who Has Previously Received IOD Benefits.

An employee who suffers a new injury or illness incurred in the performance of such duties, or the recurrence as determined by a qualifying physician, of an illness previously qualifying for IOD, shall be eligible for the benefits under subd. 1, subject to the limitations of subd. 2.

An employee who, upon returning to unrestricted duty following the use IOD benefits, becomes unable to work as a result of complications from the prior IOD injury may, use any remaining balance of unused IOD time, subject to the limitations of subd. 2.

If a medical dispute arises between an employee’s physician or licensed medical professional and a physician or licensed medical professional retained by the Employer as to whether the employee suffered a “new” injury or whether the employee is suffering complications from a previous injury that did not heal, the dispute shall be resolved based on the findings of a “Neutral Examiner” selected in accordance with same process used to resolve fitness for duty disputes under Section 24.06.

Subd. 4. Status of Employee Who is Unable to Return to Work After Exhausting Benefits.

- (a) When an employee exhausts their IOD time bank but remains temporarily unable to perform the essential functions of the job despite obtaining a diagnosis and complying with medical recommendations for treatment, they then may expend their regular earned sick leave and vacation leave in order to obtain compensation during the period of continuing leave of absence resulting from the illness or injury. If the employee is still temporarily unable to perform the essential functions of the job after also exhausting their sick leave and vacation, the Employer may grant the employee additional IOD leave in an amount up to one-half the benefit under subd. 1. To be eligible for such additional IOD leave, a physician or licensed medical professional retained by the Employer must certify that the employee will be able to return to the full performance of their duties at the expiration of such extended leave.
- (b) When an employee returns to work following their use of earned sick leave or vacation or during the period which they are on extended leave following the exhaustion of their IOD time bank, as provided above, regular earned sick leave will be restored to the employee as follows: Sick Leave Days at the Time of Exhaustion of the:

| <b>IOD Time Bank</b> | <b>Restored Days (Maximum)</b> |
|----------------------|--------------------------------|
| 0 - 59               | 0 (no sick leave restored)     |
| 60 - 99              | 20                             |
| 100 - 199            | 45                             |
| 200 or More          | 90                             |

- (c) If after exhausting all IOD, sick leave, vacation, comp time or other paid time off benefits, an employee is still unable to return to unrestricted duties, the provisions of Section 24.07, Layoff for Medical Reasons, shall apply.

**Section 25.06 - Paid Family and Medical Leave**

The eligibility for and benefits available to eligible employees for Paid Family and Medical Leave (“PFML”) are as established by Minn. Stat. Ch. 268B. The following provisions are to clarify the application of PFML. Accordingly, the requirements of State Law shall apply to PFML, except as provided below and to the extent such provisions below are more favorable to employees than as required by law.

Subd. 1. Contributions.

Employees shall pay through payroll deduction the lesser of fifty percent (50%) of: payroll premium rate set by the State of Minnesota; or the amount set in a qualifying replacement plan maintained by the Employer.

If the Employer self-insures, it shall meet with labor representatives at least once per year prior to setting plan rates for a subsequent year to disclose and discuss: the costs of claims paid during the previous

year; the administrative costs attributed to the plan; and the actuarial calculations used to determine the amount to be paid by the employer and employees for the subsequent year.

Subd. 2. Intermittent Leave.

An employee may request to use PFML leave intermittently. However, intermittent leave shall not exceed the following in any calendar year: 480 hours of paid leave for non-exempt employees; 656 hours for firefighters working 24-hour shifts; or 60 days for exempt employees. PFML leave may be taken intermittently in the following increments: for non-exempt employees – one-quarter of an hour; for exempt employees – one day or, at the election of the employee, such other amounts as may be allowed under FLMA and the FLSA. An employee requesting leave taken intermittently shall provide the employer with a schedule of needed workdays off as soon as practicable and must make a reasonable effort to schedule the intermittent leave so as not to disrupt unduly the operations of the employer.

Subd. 3. “Top-Off” for Salary.

An employee on PFML may use their accrued vacation, sick leave, or compensatory time banks to be paid the difference between their regular bi-weekly pay and the amount of benefits paid pursuant to PFML. If a holiday falls during the period of PFML leave, it shall not extend the period of PFML leave.

Subd. 4. Use of Other Benefits Not a Prerequisite.

Employees are not required to use or exhaust their accrued vacation, sick leave, or compensatory time prior to applying for or receiving PFML benefits.

**Section 25.07 - Paid Parental Leave; Recovery from Stillbirth**

The parties agree that if the Employer proposes to reduce or eliminate Paid Parental Leave as approved by the City Council on August 18, 2022, and amended November 6, 2025, such changes are subject to negotiation pursuant to Minn. Stat. § 179A.03, subd. 19. Paid Parental Leave is a paid time off benefit available in lieu of Paid Family and Medical Leave as referenced in Minn. Stat. § 268B.06, subd. 5.

The parties agree that if the Employer proposes to reduce or eliminate Recovery Leave from Stillbirth as originally adopted by the City Council, and any enhancements thereto by subsequent action(s) of the City Council; such reduction or elimination is subject to negotiation pursuant to Minn. Stat. § 179A.03, subd. 19. However, if state law is amended such that it no longer provides for paid family and medical leave for incapacity due to recovery from stillbirth, the City's Recovery Leave Policy shall be null and void, and all benefits under it shall cease.

CITY OF MINNEAPOLIS

And

THE INTERNATIONAL ASSOCIATION  
OF FIRE FIGHTERS, LOCAL NO. 82

### MEMORANDUM OF AGREEMENT Drug and Alcohol Testing

**Section 1 - Purpose Statement.** Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City and the Union have adopted this Agreement concerning drugs and alcohol in the workplace. This Agreement establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing Agreement is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this Agreement shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Chief Human Resources Officer is directed to develop and maintain procedures for the implementation and ongoing maintenance of this Agreement and to establish training on this Agreement and applicable law.

### **Section 2 - Work Rules**

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved in advance by the Employer.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved in advance by the Employer.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.

- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

**Section 3 - Persons Subject to Testing.** All employees are subject to testing under applicable sections of this Agreement. However, no person will be tested for drugs or alcohol under this Agreement without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this Agreement.**

**Section 4 - Circumstances for Drug or Alcohol Testing**

- A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:
  - 1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
  - 2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment (other than in connection with the employee's official duties); or
  - 3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
  - 4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol; or

More than one Agent of the Employer shall be involved in determinations under subsections A.1. and A.2. of this Section 4.

The mere request or requirement that an employee be tested pursuant to subparagraph 3 or 4, above, does not constitute an admission by the employer or the employee that the employee has caused an accident or death or injury to another nor does it create or establish any legal liability for the employer or the employee to another person or entity.

- B. **Treatment Program Testing.** The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this Agreement or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following

notification that they will be subjected to Treatment Program Testing.

- C. **Unannounced Testing by Agreement.** The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.
- D. **Testing Pursuant to Federal Law.** The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this Agreement that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this Agreement conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this Agreement, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

### **Section 5 - Refusal to Undergo Testing**

- A. **Right to Refuse.** Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.
- B. **Consequences of Refusal.** If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.
- C. **Refusal on Religious Grounds.** No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result.** Failure to provide a Valid Sample with a Certified Result shall constitute a refusal to undergo drug or alcohol testing under this Section 5. A “failure to provide a Valid Sample with a Certified Result” means: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

### **Section 6 - Procedure for Testing**

- A. **Notification Form.** Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of this *Drug and Alcohol Testing Agreement*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample.** The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.

- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions 1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The employer shall, not less than annually, provide the unions with a list or access to a list of substances tested for under this Agreement and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.
- E. **Positive Test Results.** In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of their right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

**Section 7 - Rights of Employees.** Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;
- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by

a confirmatory test;

- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

**Section 8 - Action After Test.** The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

- A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:
  - 1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.
  - 2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment. In determining the appropriate level of discipline for a second offense, the Employer shall consider the employee's employment history and the length of time between the first and second offense.

**B. Suspensions and Transfers.**

1. **Pending Test Results from an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.
  2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use their accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.
  3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of their normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing their personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.
- C. **Other Misconduct.** Nothing in this Agreement limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.
- D. **Treatment Program Testing.** The Employer may request or require an employee to undergo drug and alcohol testing pursuant to the provisions of Section 4.B.

**Section 9 - Data Privacy.** The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result are requested to ensure that the test is reliable

and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

## **Section 10 - Appeal Procedures**

- A. Employees may appeal discipline imposed under this Agreement through the Dispute Resolution Procedure contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.
- B. Concerning disciplinary actions taken pursuant to this drug and alcohol testing agreement, available appeal procedures are as follows:
  - 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
  - 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.
  - 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within thirty (30) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. - C. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4<sup>th</sup> Street - Room #100, Minneapolis, MN 55415-1339.

### **LETTER OF AGREEMENT**

#### **Sick Leave and Emergency Time Off**

A. The City of Minneapolis (“Employer”) and the International Association of Fire Fighters, Local 82 (“Union”) are parties to a collective bargaining agreement a Collective Bargaining Agreement currently in effect.

B. Consistent with Rule 15 of the Minneapolis Civil Service Rules, sick leave is to be used only when the employee or a family member dependent upon the employee for care is suffering from an illness or injury that precludes the employee from being able to work. Use of sick leave under any other circumstances is not acceptable and contributes to staffing and/or financial problems that adversely impact all employees, the Department and the citizens of Minneapolis.

C. The Employer and Union acknowledge that various unforeseen situations can arise in an employee’s life which may require their absence from work under circumstances that are not adequately covered by existing types of paid-leave benefits. In the past, the lack of a means to accommodate such occurrences has caused employees to report off on sick leave to attend to such matters even though the use of sick leave is not appropriate.

D. During the course of negotiations for the successor to the CBA, the Employer and Union reached an agreement to try a new form of paid time off on the terms and conditions set forth below in order to accommodate certain emergencies and allow employees to be honest about the reason(s) they need to be excused from work.

#### **NOW, THEREFORE, IT IS HEREBY AGREED, that:**

1. Notwithstanding the provisions of Section 10.1 of the CBA, effective as of the first day of the 2008 payroll year, sworn members of the Minneapolis Fire Department who are assigned to the 24-hour shift shall receive 120 hours of sick leave annually (5 24-hour shifts) and 24 hours of Emergency Time Off. Emergency Time Off (“ETO”) may be requested by an employee as a means for obtaining paid time off for an event that:
  - a. was unforeseen at the time of the bid for scheduled time off (vacation, holidays and work reduction days); and
  - b. either prevents the employee from being able to report for or remain at work, or reasonably requires the presence of the employee.
2. ETO is created only for the purpose of accommodating these unforeseen events and does not constitute

additional vacation or any other means for an employee to take additional discretionary time off without cause.

3. Requests for ETO shall be made to the employee's immediate supervisor as soon as the circumstance is known to the employee and in no event, other than the involuntary incapacitation of the employee, after the commencement of the employee's scheduled shift. ETO may not be used retroactively to cover for an employee who is AWOL. A supervisor may deny a request for ETO or require verification of the circumstances if the supervisor reasonably believes that the conditions specified in paragraph 2, above, are not satisfied.
4. An employee may use ETO for up to 24 hours per year. However, regardless of the time absent, an employee may not use ETO more than four times per year.
5. ETO is not intended to supplant voluntary trades among employees or arrangements with the Employer to reschedule vacation time. Employees are strongly encouraged to use such alternate means to obtain time off whenever possible and before requesting ETO.
6. Following the end of the payroll year in which the ETO is accrued, any unused ETO will be converted to Sick Leave and added to the Employee's sick leave bank.
7. This agreement will expire on the last day of the 2021 payroll year, but shall automatically renew for successive terms of one year each unless either party notifies the other in writing of the intention to terminate the agreement not less than sixty (60) days prior to the end of the payroll year.
8. The CBA and Rule 15 of the Civil Service Rules remain in full force and effect, except as expressly modified herein.

### LETTER OF AGREEMENT Job Bank and Related Matters

The above-entitled Parties are signatory to a Collective Bargaining Agreement currently in effect; and. This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

#### GENERAL PROVISIONS

The Employer has created a *job bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer's intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual "bumping" and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer's desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term "Recall List" as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

#### JOB BANK PROCESS AND PROCEDURE

##### I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive

formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

## **II. Job Bank Activities**

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable

efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.

- a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
  - i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
  - ii. **Pay Upon Transfer.** The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
  - iii. **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.

- b. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to “bump” or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

- |                           |                                                  |
|---------------------------|--------------------------------------------------|
| 1 <sup>st</sup> Priority: | Qualified Job Bank employees                     |
| 2 <sup>nd</sup> Priority: | Employees on a recall list                       |
| 3 <sup>rd</sup> Priority: | Employee applicants from a list of eligibles     |
| 4 <sup>th</sup> Priority: | Displaced certified temporary employees          |
| 5 <sup>th</sup> Priority: | Non-employee applicants from a list of eligibles |

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether they meet the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Chief Human Resources Officer. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer’s Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank

employee at no cost to the employee.

### **III. Layoff, Bumping and Retirement Considerations**

1. A “Primary Impact Employee” is an employee who enters the Job Bank due to the elimination of their position. A “Secondary Impact Employee” is an employee who enters the Job Bank because they may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, “bumping” and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises their displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee’s vacation bank. A Secondary Impact Employee must exercise their displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee’s term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.
2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
  - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
  - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.

**THE INTERNATIONAL ASSOCIATION  
OF FIRE FIGHTERS, LOCAL NO. 82**

**LETTER OF AGREEMENT  
2026 Health Plan**

**WHEREAS**, the City of Minneapolis (hereinafter “City”) and the International Association of Fire Fighters Local NO. 82 (hereinafter “Union”) are parties to a Collective Bargaining Agreement that is currently in force; and

**WHEREAS**, the Parties desire to provide quality health care at an affordable cost for the protection of employees, which requires a modification to the current CBA as it relates to the funding of the Health Plan beginning January 1, 2026;

**NOW, THEREFORE BE IT RESOLVED**, that the parties agree as follows for the period January 1, 2026 through December 31, 2026:

1. The City will offer a medical plan with six (6) provider options. Medica Elect is a managed care model, Medica Choice Passport is an open access model, and Vantage Plus with Medica, Park Nicollet and HealthPartners First with Medica, Ridgeview Community Network powered by Medica and Clear Value with Medica are accountable care organizations (ACOs). Medica Self-Insured (“Medica”) is providing certain administrative services, including claims processing, for all plan options. Notwithstanding any provision in the CBA to the contrary, coverage for an employee who meets the eligibility requirements set forth in the CBA shall start on the first day of the month following the employee’s date of hire, provided the employee has timely submitted the proper enrollment forms.
2. The City will continue a dual medical premium equivalent system that provides incentives for wellness program completion. The monthly medical premium equivalents for subscribers who earn the required wellness program points by August 31, 2025 (the “wellness premiums equivalents”) will be lower than the premium equivalents for subscribers who do not earn the required wellness program points by August 31, 2025 (the “standard premium equivalents”). Any changes to the wellness program requirements, including those implemented for 2026, will be as agreed upon by the Benefits Subcommittee of the Citywide Labor Management Committee. For 2026, the “wellness premium equivalent” will also apply to all employees who are newly enrolled in the medical plan after June 1, 2025. The wellness program requirements for 2026 (specifically the 3,000-point threshold to earn the incentive and the point structure are set forth on the MyMedica.com member portal) are as agreed upon by the Benefits Sub-committee of the Citywide Labor Management Committee.
3. For the period January 1, 2026 through December 31, 2026, the City will pay \$714.00 per month for employees who elect single coverage under the medical plan. For the period January 1, 2026 through December 31, 2026, the City will pay \$1930.00 per month for employees who elect family coverage under the medical plan. The total monthly rate and the respective employer and employee monthly contributions for the period January 1, 2026 through December 31, 2026 are as set forth in Appendix A.
4. The City will continue the Health Reimbursement Arrangement (“the HRA”) which was established January 1, 2004 to provide reimbursement of eligible health expenses for participating employees, their spouse and other eligible dependents; and the Voluntary Employees’ Beneficiary Association Trust (the “Trust”) through which the HRA is funded.

5. The Plan shall be administered by the City or, at the City's sole discretion, a third-party administrator.
6. The City shall designate a Trustee for the Trust. Such Trustee shall be authorized to hold and invest assets of the Trust and to make payments on instructions from the City or, at the City's discretion, from a third-party administrator in accordance with the conditions contained in the HRA. Representatives of the City and up to three representatives selected by the Minneapolis Board of Business Agents shall constitute the VEBA Investment Committee which shall meet periodically to review the assets and investment options for the Trust.
7. The City shall pay the administration fees for HRA members who are current employees and other expenses pursuant to the terms of the HRA. HRA members who have separated from service will be charged the administration fee.
8. The City will make a contribution to the HRA in the annual amount of \$1,200.00 for employees who elect single coverage and \$2,400.00 for employees who elect family coverage in the City of Minneapolis Medical Plan. Such City contribution shall be made in semi-monthly installments equal to one-twenty fourth (1/24) of the designated amount and shall be considered to be contract value in the designated amount.
9. The Parties agree that, except for City contributions to the HRA, incentives, discounts or special payments provided to medical plan members that are not made to reimburse the member or their health care provider for health care services covered under the medical plan (e.g. incentives to use health club memberships or take health risk assessments) are not benefits for the purposes of calculating aggregate value of benefits pursuant to Minn. Stat. § 471.6161, Subd. 5.
10. Future cost sharing of medical premium equivalent costs between the employer and employees for the medical plan premium equivalents will be determined by the Benefits Sub-committee of the Citywide Labor Management Committee; however, absent an agreement to the contrary, the City shall bear 82.5% of any aggregate medical premium equivalent increase and the employees shall bear 17.5% of any aggregate medical premium increase.
11. The unions shall continue to be involved with the selection of and negotiations with the medical plan carrier or, so long as the City is self-insured, the third-party administrator of the City's plan. The City and the Unions will also continue to work together each year to evaluate the health plan and related benefits so that the health benefits remains current, competitive, cost-efficient, and effective at meeting the needs of the City and employees.
12. This agreement does not provide the unions with veto power over the City's decisions.
13. This agreement does not negate the City's obligation to negotiate with the unions as described by Minn. Stat. § 471.6161, Subd. 5.
14. The terms of this agreement shall be incorporated into the Collective Bargaining Agreement as appropriate without additional negotiations.

### **LETTER OF AGREEMENT Arbitrator Panel Maintenance**

The above-entitled Parties are signatory to a Labor Agreement (the “Labor Agreement”) currently in effect; and

This Memorandum of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

#### **RECITALS**

- A. The City of Minneapolis (hereinafter “Employer”) and the International Association of Fire Fighters, Local No. 82 (hereinafter “Union”) are Parties to a Collective Bargaining Agreement (hereinafter jointly (“the Parties” and “Labor Agreement”, respectively) that is currently in effect.
- B. Section 5.04, Subd. 3 of the Labor Agreement provides for the creation of a panel of arbitrators to be used for grievance arbitration.
- C. Confusion arose as to how the panel of arbitrators was to be modified and/or maintained.
- D. Section 5.04, Subd. 3 of the Labor Agreement does not establish procedures for maintaining or modifying the panel of arbitrators.
- E. The Parties now desire to establish procedures to be used to maintain the panel of arbitrators.

**NOW THEREFORE**, the parties hereby agree as follows:

#### **AGREEMENT**

- 1. The panel will consist of no fewer than five (5) and no more than eight (8) arbitrators.
- 2. An Arbitrator will be removed from the panel upon the occurrence of any of the following events:
  - a. Written mutual agreement between the Parties.
  - b. The arbitrator is no longer on the BMS Panel.
  - c. The arbitrator has resigned, retired, died, become disabled or has been unavailable to hear cases for a period of longer than twelve (12) months.
  - d. The arbitrator no longer maintains a residence or office in the State of Minnesota; unless the parties

mutually agree to retain the arbitrator.

3. If there is a vacancy on the panel the following procedures will be used to fill the vacancy:
  - a. First Step
    - i. Each party will submit a list of five (5) arbitrators they propose to add to the panel to the President of the Minneapolis Board of Business Agents, or in their absence, the Chairperson of the Minneapolis Citywide Labor Management Committee.
    - ii. Any arbitrator whose name is common to both lists will be eligible for selection.
    - iii. If the number of common names exceeds the number of vacancies, the parties may:
    - iv. Keep all the commonly identified arbitrators for the Panel
    - v. Select via blind draw the name(s) to be selected to fill the vacancies.
  - b. Second Step. If there are no common names on the lists submitted, then the parties will:
    - i. review the Bureau of Mediation Service's Roster of Arbitrators;
    - ii. eliminate all current Panel members;
    - iii. eliminate each Roster member who does not maintain a residence or office in Minnesota, unless the Parties mutually agree to retain the "out-of-state" arbitrator;
    - iv. independently strike the names of the number of Arbitrators that represents 25% of the pool of Roster members that remains after step iii, above;
    - v. Establish a list of the arbitrators whose names remain on the list after the preceding steps;
    - vi. After the President of the Board of Business Agents or the Chairperson of the Minneapolis Citywide Labor Management Committee has overseen a coin toss to determine which party will make the first strike from the remaining list, the parties will use the "Alternate Strike" method to reduce the remaining list of arbitrators until the needed number is reached.
  - c. An Arbitrator selected from this process will be added to the panel, subject to their acceptance of the assignment and agreement as to availability and the established fee structure.
4. Periodically, but not less than once every three (3) years, the Parties will review the list, re-verify each arbitrator's availability and commitment, and set the fee structure.
5. This Agreement will be appended to the Labor Agreement and will renew automatically with each successor Labor Agreement unless terminated or amended by the written agreement of the Parties.

#### **Sick Leave Usage**

**WHEREAS**, the City of Minneapolis (“Employer”) and IAFF Local 82 (the “Union”) are parties to a Collective Bargaining Agreement currently in effect (the “Labor Agreement”);

**WHEREAS**, during the negotiations that resulted in the Labor Agreement, the Parties agreed to adopt language regarding the “weather waiver” as referenced in Minn. Stat. § 181.9447, subd. 1(4); and

**WHEREAS**, the Employer and unions representing City employees are current in coalition bargaining over, among other things, model sick leave usage language that reflects recent legislation; and

**WHEREAS**, the parties did not want to hold up the completion of a successor to the Labor Agreement until the coalition bargaining is concluded; and

**WHEREAS**, the Parties desire to implement the weather waiver prior to the completion of coalition bargaining on the terms specified herein;

**NOW, THEREFORE BE IT RESOLVED**, that the parties agree as follows:

1. Until such time as the parties adopt specific contract language following the completion of coalition bargaining, they agree that employees covered by the Labor Agreement may use sick leave earned pursuant to Article 10 of the Labor Agreement in a manner consistent with the provisions of Minn. However, notwithstanding the waiver, the Chief or their designee may approve the use of sick leave if application of the waiver would impose an undue hardship on the employee or their family member.
3. This Letter of Agreement shall remain in effect until Article 10 of the Labor Agreement is amended by mutual written agreement of the parties.
4. This Letter of Agreement sets no precedent.

**THE PARTIES** have caused this Letter of Agreement to be executed by their duly authorized representatives whose signatures appear below.
