Certification Statement:

- *I'm authorized to submit this application.*
- *I understand the Erosion Control Plan or Storm Water Pollution Prevention Plan (SWPPP) prepared for this project (if needed) and all attachments were prepared under my supervision.*
- *We have properly gathered and reviewed the information, and it meets the requirements of the Minneapolis Municipal Code Chapter 52 Ordinance and NPDES CSW Permit.*
- *I take full responsibility for carrying out and maintaining all sediment and erosion control practices. The Erosion Control Plan or SWPPP will be updated as needed to address site-specific issues during construction and shared with the City.*
- *The land will not be disturbed until the application is approved by the City and the owner or title holder gives approval or authorization.*
- *All information provided on this application and other submittals is true and accurate to the best of my knowledge.*
- *I understand that submitting false information can lead to significant penalties, including fines and imprisonment for knowing violations.*
- *I understand that we are legally required under the Clean Water Act and Minnesota law to comply with:*
 - *Minneapolis Municipal Code- Chapter 52 'Erosion and Sediment Control and Drainage',*
 - *Chapter 54 'Stormwater Management'*
- *Any required contractor licenses, personal license, or certificate of competency will be obtained before work begins.*

Payment:

Make checks payable to: Minneapolis Finance Department

Credit card: All major credit cards accepted. Credit card information may not be submitted electronically. Staff will reach out to the contact person listed above for payment.
