Pleasant Avenue S
Safe Routes To School

Minneapolis
City of Lakes

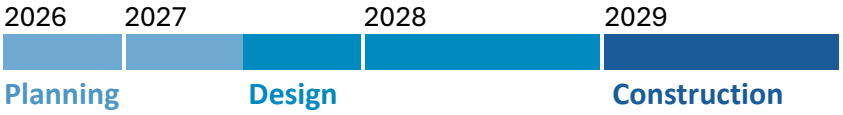

Project overview

- The project is on Pleasant Ave S between 34th St and 49th St, and 49th St S between Pleasant Ave and Nicollet Ave.
- Safety improvements will make it easier to walk, bike, roll and take public transit to school.
- Traffic calming will make the street more comfortable for people of all ages and abilities.

What we know

- The route connects to three public schools, various neighborhood destinations, and the future 34th St bikeway.
- According to a 2024 travel tally, an estimated 32.0% of students walk, bike, or take public transit to school across all three public schools along the project.
- The route is designated as a near-term low stress bikeway on the All Ages and Abilities network map.
- 36th St, 38th St and 42nd St are previously identified 2022 High Injury Streets that intersect with the route.

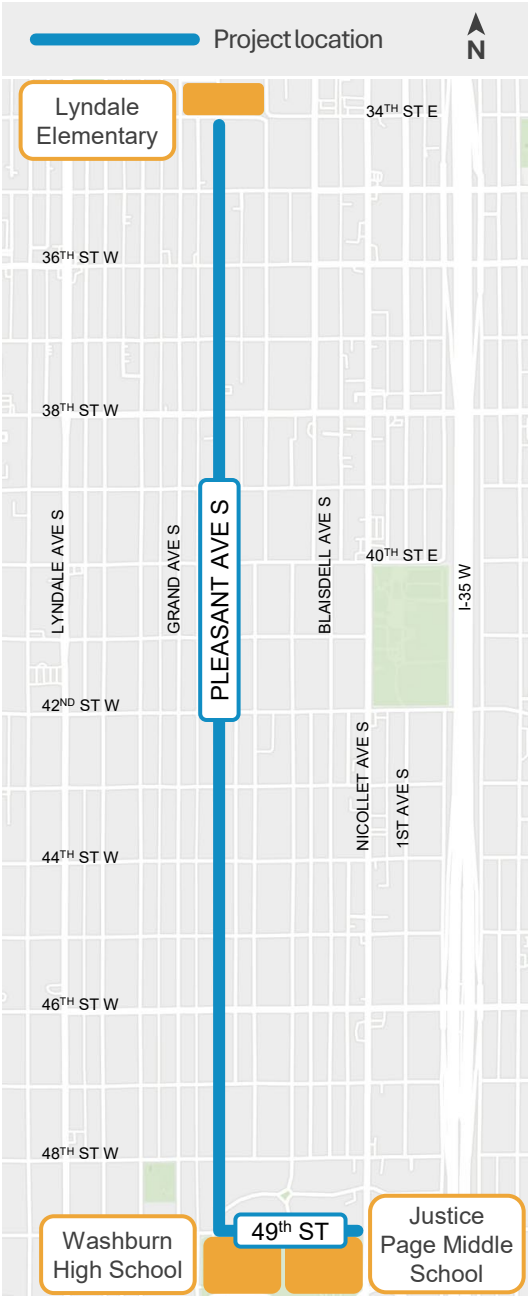

Project schedule

Project goals

- SAFER STREETS FOR WALKING AND ROLLING
- SAFER STREETS FOR ALL
- SAFER ROUTES FOR BIKING
- ACTIVE PARTNERSHIPS

Engagement overview

We use many channels to share information about existing and upcoming projects. We listen to your feedback and consider it carefully as part of decision-making. On this page, you will see a summary of how we do this. The full engagement plan is located on the project webpage.

Engagement schedule

Engagement goals

- Use creative, diverse, and accessible ways of doing engagement to ensure people are aware of the project.
- Seek feedback on the outcomes and decisions that the public can influence.
- Work with students, staff, and families at schools in decision-making.
- Strive to engage diverse communities at a rate that is reflective of the demographics of the area.

EXAMPLE OF SAFE CROSSINGS

How to get involved

Attend a community meeting

Participate in online surveys
